## ... CREATE MEMORIES THAT WILL LAST

Determined to deliver exceptional value for money, Swift Group continue to drive significant increases in specification, ensuring prices remain competitive and boosting overall energy efficiency. With six exciting ranges there has never been a more compelling time to choose Swift.

### 12 ESCAPE

Escape is the ideal first new motorhome and one of the UK's best selling single motorhome ranges.

### 24 RIO

The Rio offers coachbuilt luxury in the size of a panel van.

### 36 BESSACARR

Inside and out the Bessacarr is still the best in its class.

### 48 BOLERO

The new Black Edition Bolero is simply stunning inside and out.

### 60 KON-TIKI

Kon-tiki enjoys an enviable combination of comfort, practicality and design innovation.

### 72 AUTOCRUISE

The Autocruise van conversion range is incredibly versatile.

# NOT YOUR AVERAGE TRIP TO THE COUNTRY

Wake up to the sounds of nature, feel the morning dew on your feet, hold a cup of tea in your hand as you experience the sunrise over the hills and the sunlight streaming through the trees.

MOTORHOMES  
MADE TO MAKE  
YOU SMILE  
- BUILT IN BRITAIN -

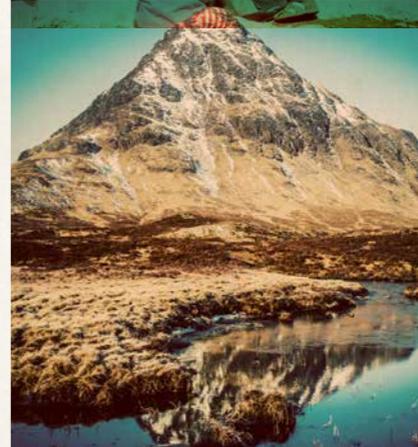

**M**orning breakfast made from the fresh local produce of the farm shop down the road, a bacon sandwich has never tasted so good. The days are full of possibilities; walking in bright green fields with sheep and cows, birds soaring high on the thermals and not a care in life, just anticipation of what is round the corner. Kids can be kids, running and playing, swimming in lakes, skimming stones, riding bikes, climbing trees and paddling canoes.

It's all about remembering the smiles on everyone's faces.

Live it. Experience it. Breathe it.

Adventure is allowing the unexpected to happen to you. Exploration is experiencing what you have not experienced before. How can there be any adventure, any exploration, if you let someone else - above all, a travel bureau - arrange everything before-hand?  
*Richard Adlington, Death of a Hero.*

# THERE IS NO PLACE LIKE THE COAST

**S** Seagulls soaring, the sound of the waves lapping at the shore, sand between your toes and the fresh sea air, it's the simple things in life that bring the most joy.

Bucket and spade in hand, building sand castles, collecting shells and soaking up the sun on the beach with an ice cream or candy floss; it's what the seaside is all about.

With coastal parks a stone's throw away from seaside adventures you can enjoy a prime holiday location with all the comforts of home. Imagine the kids playing happily with new friends while you relax nearby and even the dog can come too.

As the end of the day draws to a close, you get to relax in the comfort of your own motorhome, head refreshed from the days activities and ready for tomorrow's adventure.

With a Swift Motorhome you have the freedom to roam on your timetable, at your pace in comfort and style. You can be spontaneous or carefully plan your break away to create precious memories and tales to treasure for a lifetime.

*The ocean stirs the heart, inspires the imagination and brings eternal joy to the soul.*

## ENHANCED INTELLIGENT MOTORHOME CONSTRUCTION

As the UK's leading leisure vehicle manufacturer, the Swift Group undertakes what is probably the most extensive research and testing program in the industry and we are constantly looking at new and better ways to construct our products. SMART is the basis of our intelligent construction system that is used across our entire coachbuilt motorhome range.

Enhanced for the new season, SMART Plus takes the proven technology which provides a Strong timberless body frame with Modern desirable looks and a leading Aerodynamic shape that is highly Resilient to moisture, all wrapped up in a motorhome that has undergone the most comprehensive Testing; and adds a new sandwich floor construction with a GRP outer skin providing greater durability from the elements.

Carefully developed, SMART construction was only introduced once we were satisfied that it was truly fit for purpose.

Computer numerically controlled (CNC) cutting is used in the manufacturing process to provide accuracy and consistency time after time, to produce a high quality engineered product designed to give you a lifetime of SMILES.

SMART Plus features on all coachbuilt motorhomes

### STRONG

The Strong timberless body frame uses 'PURE', a tough, hard polyurethane based product, that is totally impervious to water and has been proven through use.

### MODERN

The SMART Plus construction system uses Modern materials and has been developed to ensure the exterior profiles maintain the Modern desirable looks our motorhomes are renowned for.

### AERODYNAMIC

We continue to lead the way in Aerodynamics using Computational Fluid Dynamics to help shape the bodyshell for better fuel consumption.

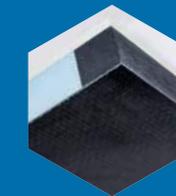

### RESILIENT

All fixings are made into the 'PURE' material to a pre-defined depth. 'PURE' is totally impervious to water and has no veins. This means there is no passage for water from the outer skin to the inner wallboard, making the motorhome highly Resilient to moisture.

### TESTED

Extensive safety and durability Testing at the Millbrook track, and cold chamber Testing down to minus 15°C and beyond puts prototypes through conditions most products will never have to experience in a lifetime; all part of the Swift ethos to deliver the best products to you.

### NEW FLOOR CONSTRUCTION

New 'sandwich' floor construction with ply upper, high rigidity Styrofoam core and GRP outer skin to provide greater durability from the elements.

## ESCAPE

The Escape continues to be one of the UK's best selling single motorhome ranges and it is not hard to see why. Its stylish exterior and great specification interior all come at amazing value, so it is widely chosen by those looking for their first new motorhome.

**There really is no need to look further than the Escape range if you're after an impressive mix of features at an attractive price.**

With Fiat's stylish cab, Swift Group's enhanced SMART Plus intelligent construction system, sleek exterior styling with white gloss corner cappings and side skirts, the Escape motorhome range looks smart on the road.

Available in a choice of two low-line and four high-line models, all powered by a 130bhp Euro 5+ turbo diesel with a 6-speed gearbox and an automatic option, the Escape is ideal for young or 'three-generation' families. Three models have four belted travelling seats and two layouts can have six, ideal for children and grandchildren.

The seating is tastefully upholstered and ergonomically arranged to provide a great social space to gather.

'Aralie Sen' woodgrain locker doors with chrome push button locker catches adorn the overhead storage. The kitchen makes all of its features easily accessible from the microwave to the chopping and draining board which has been newly modified for easy storage.

And for a great night's sleep the Duvalay Duvalite mattress provides relaxing support with lightweight memory fibre technology on all fixed beds.

The modestly priced Comfort Pack, inclusive of a Winter Pack, is full of great features and benefits, giving you the option to increase the specification of your new Escape even further.

# ESCAPE FEATURES

## Chassis-Cab

- Fiat chassis cab with daytime running lights
- Fiat Euro 5+ 130bhp, 2.3 litre engine
- Dashboard design with fully integrated factory-fit **New** DAB Radio/MP3 player with Bluetooth and switch-off timing adjustable up to 3 hours
- Integrated radio aerial within electric wing mirrors
- Cab battery isolation switch to prevent discharge in storage
- Electrically operated and tinted cab windows
- Remote central locking of cab doors and immobiliser with rolling code
- Thermal cab side window covers
- ABS brakes with EBD (electronic brake force distribution)
- Variable power steering
- Adjustable steering wheel position
- Driver's airbag
- Headlamp height adjustment
- Captains chairs with twin armrests and integrated headrest
- Central cup holder with slot for full width tablet and wall pocket for smart phone with USB port for charging
- Door pockets with bottle holders
- Driver and passenger seats in 622, 624, 686 & 696 models with:
  - Position and rake adjustment (driver's seat also has height adjustment)
  - Two armrests
  - Fully upholstered covers
  - Base surrounds
- Driver and passenger seats in 644 & 664 model with:
  - Position, height and rake adjustment
  - Swivels
  - Two armrests
  - Fully upholstered covers
  - Base surrounds
- Cab carpet (removable)
- Spare wheel on under slung carrier
- **New** 12V power socket and USB socket
- **New** Dash mounted tablet holder
- Thatcham (Category 7) approved TRACKER Retrieve fitted as standard

## Body and Exterior Equipment

- European Whole Vehicle Type Approval ensures compliance with strict weight, dimensions and safety regulations
- **Enhanced** SMART Plus construction with Strong, moisture proof 'PURe' Polyurethane timberless framed body shell and new 45mm 'sandwich' floor construction with GRP outer skin, ply upper and high rigidity Styrofoam core

- One-piece, 5000 Series marine grade aluminium sidewalls
- Dynamic graphics coordinated with white cab
- High gloss moulded skirts and lower rear panel in white
- External white gloss corner cappings for sleeker appearance
- Full wheel trims
- Low energy LED exterior light
- High level brake light
- Main habitation door with 2 point locking system and integrated door retainer
- Single key for all habitation doors
- Step well manually retractable step with buzzer warning
- Exterior access locker door - 622 & 664 models
- 'Garage' door - 696 model only
- **New** Seitz C6 Double glazed screen printed opening windows with night-latch ventilation
- Compartment for 2 x 7kg gas bottles
- Gas regulator suitable for butane or propane
- High and low fixing points for rear-mounted cycle rack
- 32mm 'sandwich' walls with HD polystyrene insulation core
- 32mm 'sandwich' roof with HD polystyrene insulation core
- Low level ventilation away from step well to reduce road noise
- Heavy duty chassis extensions ready for optional homologated towbar
- **New** Bike rack fixing rails fitted to the rear
- **New** Bike locking point on rear cross member

## Living Area

- 'Toulon' soft furnishing scheme with two scatter cushions
- 'Aralie Sen' woodgrain with contemporary colouring
- Overhead lockers with push button chrome handles
- Lap and diagonal seat belts on all designated passenger seats
- High resilience foam in seats and backrests (150mm/6")
- Seat tops with beech slats, spring-assisted for easy access (except travelling seats)
- 75mm/3" 'Duvalay Duvalite' luton bed mattress (High-line models) and 696 bunk mattresses
- Removable aluminium ladder to the over-cab bed (High-line models)
- French Oak effect, high impact, scratch resistant floor lino
- Exclusive 'Duvalay Duvalite' fixed bed mattress with lightweight memory fibre technology - hypoallergenic, excellent pressure relief, dustmite resistant and 100% recyclable (664)
- Removable carpets
- Heki rooflight in lounge area with flyscreen and adjustable pleated blind

- Cassette flyscreens and blinds on all windows
  - Removable entrance mat
  - Smoke alarm
  - Carbon monoxide alarm
- ## Kitchen
- Dometic 80 litre manual selection fridge with 230V, gas and 12V operation
  - Combination thermostatic oven and grill with electronic ignition
  - Granite effect moulded kitchen sink
  - Removable drainer and food grade nylon chopping board nestle together for easy storage in dedicated location
  - Contrast 'grey/white' kitchen upper locker doors
  - Lighting in china locker
  - Vector chrome effect mixer tap
  - 3 burner gas hob with electronic ignition
  - Microwave oven
  - Kitchen roof light with flyscreen and blind

## Washroom

- **New** Ecocamel Orbit shower head with on/off button for a powerful shower that uses less water
- 35mm thick entrance door with domestic style mortice lock and handle
- Thetford cassette toilet with electric flush and 18 litre wheeled holding tank
- Overhead towel locker (model specific)
- Vector chrome effect mixer tap
- Rooflight with flyscreen (622, 644, 686 & 696)
- Opening window (624 & 664)
- **New** High gloss white washroom wallboard

## Heating and Plumbing

- Grade 3 classification (EN 1646-1) for heating and thermal insulation (for sub-zero ambient temperatures)
- Dual fuel heating with Truma Combi 4 1.8kW electric/4kW gas/3.8kW combined (Combi 6 1.8kW electric/6kW gas/5.8kW combined in 686 & 696)
- Digital programmable controller for heating and hot water with ability to be remote controlled via **New** iNet Box upgrade option from Truma
- Truma 'Crash sensing Mono' regulator for en-route use of heating and water heating
- Drawer storage under oven (model specific)
- Kitchen work top extension flap (622, 686 & 696)
- Pressurised fresh water system with self-priming pump & accumulator
- 65 litre internal fresh water tank with level sensor (80 litre in 696)
- 68 litre waste water tank with level sensor
- Waste drain valve actuation point including brace

## Electrical

- Mains consumer unit with mains isolators and 12V fuse board
- Large, easy to read 12V control panel near entrance doorway with controls for:
  - 12V power on/off
  - Battery selection and charge state
  - Water pump
  - Tank levels
- Ultra low energy lighting system:
  - LED spotlights
  - LED ceiling lights
- Three chrome 230V sockets
- 300 Watt charger/transformer for 12V supply
- 80 amp-hour leisure battery in exterior access locker
- External aerial connection point in battery locker
- TV station with 230V and 12V sockets, aerial socket
- 25 metre mains hook-up cable

## Key options

- Comfort-Matic automatic gearbox with Fiat Euro 5+ 130bhp 2.3 litre engine (only available in conjunction with Comfort Pack)
- Special Value Comfort Pack consisting of:
  - Cab air-conditioning
  - Passenger air bag
  - Electric entrance step with automatic drive-away retraction
  - Easy action concertina door flyscreen
  - Pleated windscreen blind
  - Status 570 TV aerial
- Winter Pack with:
  - Waste water tank heater
  - Under floor waste pipe insulation
  - Fridge vent covers
- **New** Detachable tow bar and electrics (conforming to UN-ECE R55)
- Six seat belt option on 686 & 696 models (increases MTPLM from 3500kg to 3650kg)
- Thule Elite G2 two cycle rack (dealer fit)

1. Dashboard design with fully integrated factory-fit Radio/MP3 player with Bluetooth, switch-off timing adjustable up to 3 hours
2. Captains chairs with integrated headrest, wider backrest, better side support and improved seat comfort
3. External white gloss corner cappings and side skirts or sleeker appearance
4. Cab battery isolation switch to prevent discharge in storage
5. Spare wheel on under slung carrier
6. Microwave oven
7. Combination thermostatic oven and grill with electronic ignition
8. Dometic 8-Series 80 litre manual fridge with 230V, gas and 12V operation
9. Seitz high specification entrance door with secure 2-point locking and door retainer (concertina door flyscreen part of Comfort Pack)
10. Dual fuel heating with Truma Combi 4 1.8kW electric/4kW gas/3.8kW combined and Truma 'Crash sensing Mono' regulator for en-route use (Combi 6 in 686 and 696) plus digital controller for heating and hot water with ability to be remote controlled via iNet Box upgrade option from Truma
11. Heki rooflight in lounge area with flyscreen and adjustable pleated blind
12. Positive catches on all overhead locker doors for secure storage on the move and 'Aralie Sen' Woodgrain with contemporary colouring
13. Ultra low energy lighting system with LED spot and ceiling light
14. Seat bases with beech slats, spring assisted for easy access (except traveling seats)
15. Exclusive 'Duvalay Duvalite' fixed bed mattress with lightweight memory fibre technology - hypoallergenic, excellent pressure relief, dustmite resistant and 100% recyclable
16. **New** Fixing bars for rear mounted optional Thule Elite G2 two cycle rack and bike locking point on rear cross member (dealer fit option)

<b>Overcab Bed</b>			2.08m x 1.37m / 6'10" x 4'7"		2.08m x 1.37m / 6'10" x 4'6"	

- Notes**
- The Maximum User Payload includes:
    - the conventional load (this is the allowance for passengers)
    - essential habitation equipment (items and fluids required for safe and proper functioning of habitation equipment)
    - optional equipment (items available from the manufacturer over and above the standard specification)
    - personal effects (those items not covered by the above)
  - The Mass in Running Order is the mass of the unladen vehicle including a 75kg allowance for the driver plus engine coolants and 90% of the fuel tank capacity and 1 x 6kg Calor Lite LPG cylinder.  
The MPO is calculated with the fresh water tank empty. If you travel with water in the fresh water tank then the payload will reduce accordingly.
  - Please take care to ensure that you have allowed for the masses of all items you intend to carry in the motor caravan, e.g. passengers, optional equipment, essential habitation equipment and personal effects, such as clothing, food, pets, bicycles, sailboards, sports equipment etc.
  - Warning - under no circumstances should the maximum technical permissible laden mass of this motor caravan be exceeded.
- \* Estimated  
\*\* For optional roof ladder add 125mm to length and 40mm to height on low-line.

# With this vehicle configuration it will be necessary to reduce the payload carried inside the van when towing to ensure that the MTPLM and maximum axle loads are not exceeded.

† Optional 6th Belted Seat on 686 & 696  
An extra seat belt can be added to the dinette allowing 6 people to travel:

Belted seats	6
MTPLM	3650kg
Gross Train Weight	5250kg
All other specification as table	

**SMILE**

## RIO

The Rio offers coachbuilt luxury in the size of a panel van. Launched last year in two models with an ingenious lift up rear tailgate, the size and finish have been so appealing, the range is being expanded this season to offer two new models with more traditional motorhome layouts.

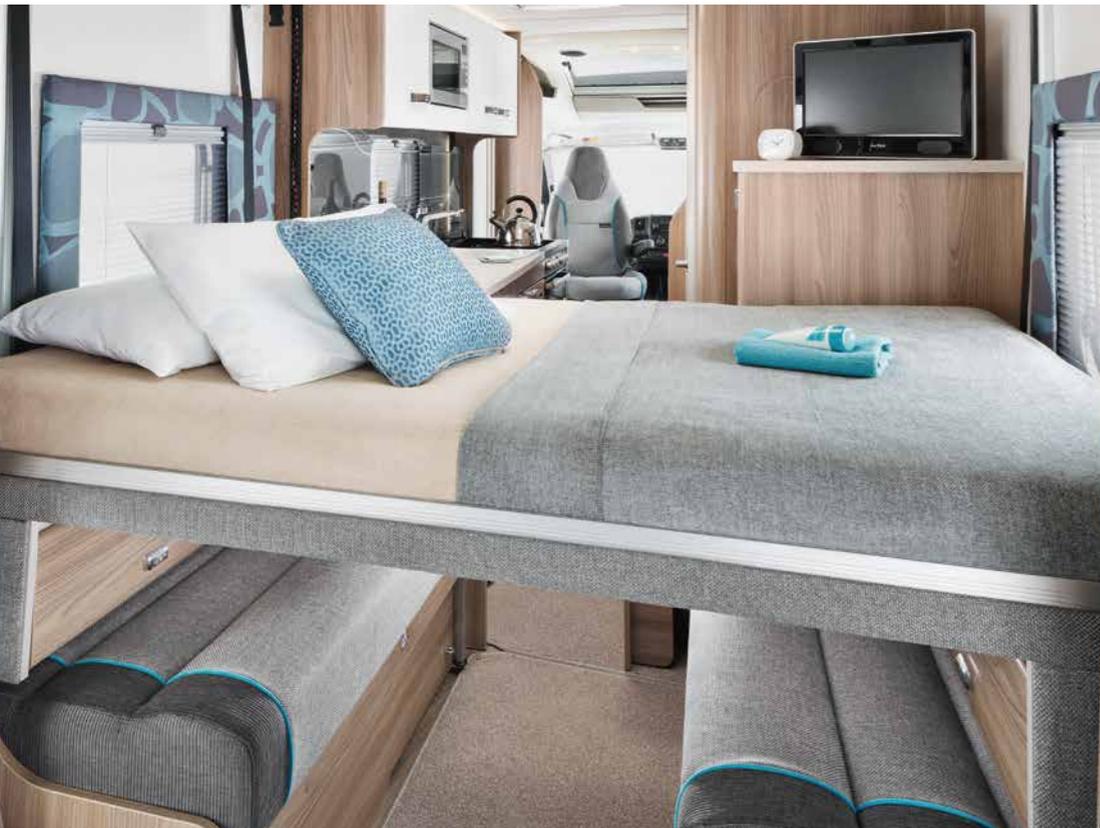

**At the Swift Group we know how important it is to balance innovative design with choice.**

So we've added two traditional side entrance layouts to the Rio range, the 310 with full width rear washroom and 325 with large garage space under an electronically controlled lift-up bed. These join the existing two models that feature the ingenious lift up rear tailgate which allows easy loading of sporting equipment, or anything you may choose to take with you, between the rear seats.

Useful storage space is plentiful and includes 'Aralie Sen' upper locker doors with gloss facades and smoked oak inlays. Practical removable carpets over washable French oak effect vinyl flooring make sure you can easily clean up after exploring the great outdoors.

**With the exciting Rio motorhome range, compact does not mean compromise.**

All models feature the stylish Fiat cab with LED daytime running lights and are powered by the Fiat 2.3 litre, 130bhp Euro 5+ turbo diesel with a 6-speed gearbox. There is also an automatic option. Weighing in at 3.5 Tonne they can be driven on a standard car licence.

A Truma Combi 4 boiler provides ample heating and hot water and there is a well equipped kitchen and washroom which houses everything you need; a basin, toilet and shower, plus mini LED downlights - the 310 even has the luxury of a separate shower cubicle.

Lighting throughout is LED with dimmable under locker spotlights and overlounger lights in the rear lounge (model specific) and there is a step well light for safer access. There are even low-level night-lights that operate when travelling and an illuminated kitchen splash back.

# RIO FEATURES

## Chassis-Cab

- Fiat chassis cab
- LED daytime running lights
- Stylish black bezel to headlight and black front grill
- Protective black skid plate
- Fiat Euro 5+ 130bhp, 2.3 litre engine
- Dashboard design with fully integrated factory-fit **New** DAB Radio/MP3 player with Bluetooth, switch-off timing adjustable up to 3 hours and wing mirror antenna for better reception
- Cab battery isolation switch to prevent discharge in storage
- Driver and passenger airbags
- Concertina windscreen blind and side window blinds
- Cab carpet (removable)
- Captains chairs with twin armrests and integrated headrest
- Driver and passenger seats:
  - Swivels
  - Position, height and rake adjustment
  - Two armrests
  - Fully upholstered covers
  - Base surrounds
- ABS brakes
- EBD (electronic brake force distribution)
- Immobiliser with rolling code
- Variable power steering
- Key fob operated remote central locking of cab doors and entrance door
- Electric operated and tinted cab windows
- Electrically adjusted and heated wing mirrors fitted with direction indicators
- Headlamp height adjustment
- Adjustable steering wheel position
- Central cup holder with slot for full width tablet and wall pocket for smart phone with USB port for charging
- **New** 12V socket and USB socket
- **New** Tablet holder (dash mounted)
- Thatcham (Category 7) approved TRACKER Retrieve fitted as standard

## Living Area

- 'Loxley' soft furnishing with two scatter cushions
- 'Aralie Sen' woodgrain with contemporary colouring
- **New** High gloss upper locker doors with smoked oak inlays
- Chrome effect handles throughout
- Push-button locks on overhead locker doors
- **New** Travel lock for TV brackets where fitted
- Lounge seat and bed tops with gas spring hinge supports for easy access
- Electronically operated bed on 340 model with three positions
  - High-level for storage in roof line
  - Mid-level to allow sleeping underneath
  - Low-level for easy bed makeup and access
- Electronically operated bed on new 325 to increase garage capacity
- Exclusive 'Duvalay Duvalite' fixed bed mattress with lightweight memory fibre technology - hypoallergenic, excellent pressure relief, dustmite resistant and 100% recyclable on electronically operated bed - 325 & 340 models
- Compact narrow bodyshell 2000mm internal width and 1947mm interior height
- GRP front low-line pod with panoramic opening sunroof
- Styled front marker lights

- Seitz C8 flush fitting windows
- One-piece, 5000 Series marine grade aluminium side-walls finished in white with stylish graphics
- Full GRP rear panel incorporating lift-up tailgate with window, central locking and electrically operated step (320 & 340 only)
- Exclusive LED rear light clusters
- **New** Dynamic graphics coordinated with white cab
- White extruded skirts with end caps
- Gloss white finished front bumper
- 16" wheels with full wheel trims
- Low energy LED exterior awning light
- High-level brake light
- Seitz high specification entrance door with secure 2-point locking, window, integral flyscreen, door retainer and bin
- Single key for all habitation doors
- Step well with light for easy access
- Provision for 2 x 7kg gas bottles with fitted butane/propane regulator and propane hose
- 32mm 'sandwich' walls with HD polystyrene insulation core
- **New** 34mm 'sandwich' construction hail resistant exterior GRP roof with HD polystyrene insulation core and moulded front to create streamlined front curvature
- Heavy-duty rear chassis members ready for optional towbar (in lieu of rear step)
- Spare wheel on under slung carrier
- **New** Bike rack fixing rails fitted to the rear (on 310 & 325 only)
- **New** Bike locking point on chassis member

## Kitchen

- Dometic 8-Series, 110 litre automatic energy selection fridge with removable freezer compartment (138 litres Dometic Slimline fridge for 310)
- Aspire Mk 2 full oven, designed for motorhome use with improved noise reduction, separate grill and dual fuel hob with 800W electric hot plate, electronic ignition and flame failure protection
- Built-in microwave oven with digital controls
- Granite-look GRP kitchen sink
- Removable drainer and food grade nylon chopping board nestle together for easy storage in dedicated location
- Vector chrome effect mixer tap
- Acrylic splash back with LED lighting

## Washroom

- Fixed washbasin with vanity cupboard
- Thetford cassette toilet with electric flush
- Multi-directional roof light with flyscreen
- 32mm thick entrance door with domestic style mortice lock and handle
- Mini LED down lights

## Heating and Plumbing

- Grade 3 classification (EN 1646-1) for heating and thermal insulation (for sub-zero ambient temperatures)
- Dual fuel heating with Truma Combi 4 1.8kW electric/4kW gas/3.8kW combined with digital control
- Digital programmable controller for heating and hot water with ability to be remote controlled via **New** iNet Box upgrade option from Truma

- Cassette pleated flyscreens and roller blinds on all windows
- Concertina action door flyscreen
- Sectioned removable carpets for flexibility
- French Oak effect, high impact, scratch resistant floor lino
- Lap and diagonal seat belts on all designated passenger seats (325 & 340)
- Ergonomically shaped rear travelling seats in Loxley fabric with safety frame supports
- Bed mattresses and lounge bench seat cushions supported by beech slats for extra comfort
- Seat backrest ventilation boards
- Dedicated storage locations for tables
- Midi-Heki skylight with flynet and adjustable blind (not 310)
- Multi-directional clear roof light with pleated flyscreen and blind
- Domestic style mortice locks on washroom doors
- Black branded speakers
- Bed-mounted luggage retaining hoops (320 & 340)
- Smoke alarm
- Carbon monoxide alarm

## Electrical

- Mains 230V supply via easy-access consumer unit to sockets, fridge, microwave oven, heater, water heater and battery charger/transformer
- 25 Amp charger/transformer for leisure batteries
- 75 Amp-hour sealed (Dir 2006/66/EC) leisure battery under driver's cab seat
- Minimum of 3 x 230V chrome sockets
- Easy to use 12V control panel over doorway with touch controls for:
  - Vehicle/Leisure battery selection and display of:
    - Tank heaters
    - Tank levels
    - Vehicle and leisure battery state
- Enhanced ultra low energy lighting system:
  - Dimmable LED spotlights
  - Dimmable over-locker LED ambient lighting (rear lounge dining only)
  - Low-level night lights (operable when travelling)
  - Adjustable LED cab reading lights
- Power supply for satellite dish installation
- 25 metre mains hook-up cable
- TV station with flatscreen bracket 230V, 12V supply and co-ax link to outside connector
- **New** 100W solar panel

## Key Options

- Comfort-Matic automatic gearbox with Fiat Euro 5+ 130bhp, 2.3 litre engine (only available in conjunction with Lux Pack)
- Special value Lux Pack with:
  - Cab air-conditioning
  - Cruise control
  - Status 570 TV aerial
- Reversing camera\*
- Full length roll-out awning
- **New** 'SwiftShield' stain resistant, easy-clean fabric
- Tow bar (requires removal of rear step on 320 & 340)
- Thule Elite G2 two cycle rack (except 320 & 340) (dealer fit)

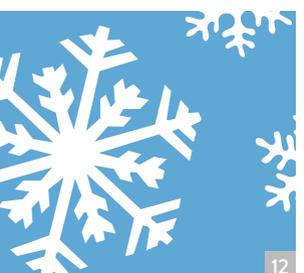

- Truma 'Crash sensing Mono' regulator for en-route use of heating and water heating
- Pressurised fresh water system with self-priming pump
- 86 litre insulated fresh water tank with level sensor
- 68 litre waste water tank with level sensor
- Butane/propane regulator and connection hose for propane
- 12V exterior power point for pump filling of water tank (pump not supplied)
- Winter Pack fitted as standard with:
  - Fresh and waste water tank heaters
  - Under floor waste pipe insulation
  - Fridge vent covers

## Key Options

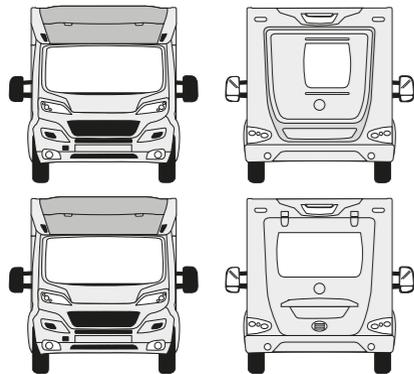

- Mains 230V supply via easy-access consumer unit to sockets, fridge, microwave oven, heater, water heater and battery charger/transformer

## Notes

- The Maximum User Payload includes:
  - the conventional load (this is the allowance for passengers)
  - essential habitation equipment (items and fluids required for safe and proper functioning of habitation equipment)
  - optional equipment (items available from the manufacturer over and above the standard specification)
  - personal effects (those items not covered by the above)
- The Mass in Running Order is the mass of the unladen vehicle including a 75kg allowance for the driver plus engine coolants and 90% of the fuel tank capacity and 1 x 6kg Calor Lite LPG cylinder.  
The MRO is calculated with the fresh water tank empty. If you travel with water in the fresh water tank then the payload will reduce accordingly.
- Please take care to ensure that you have allowed for the masses of all items you intend to carry in the motor caravan, e.g. passengers, optional equipment, essential habitation equipment and personal effects, such as clothing, food, pets, bicycles, sailboards, sports equipment etc.
- Warning - under no circumstances should the maximum technical permissible laden mass of this motor caravan be exceeded.

## BESSACARR

The Bessacarr range not only looks stunning from the outside with its striking low profile overcab and gloss white sides with British racing green and silver graphics; it also exudes luxury inside to transcend all others in its class.

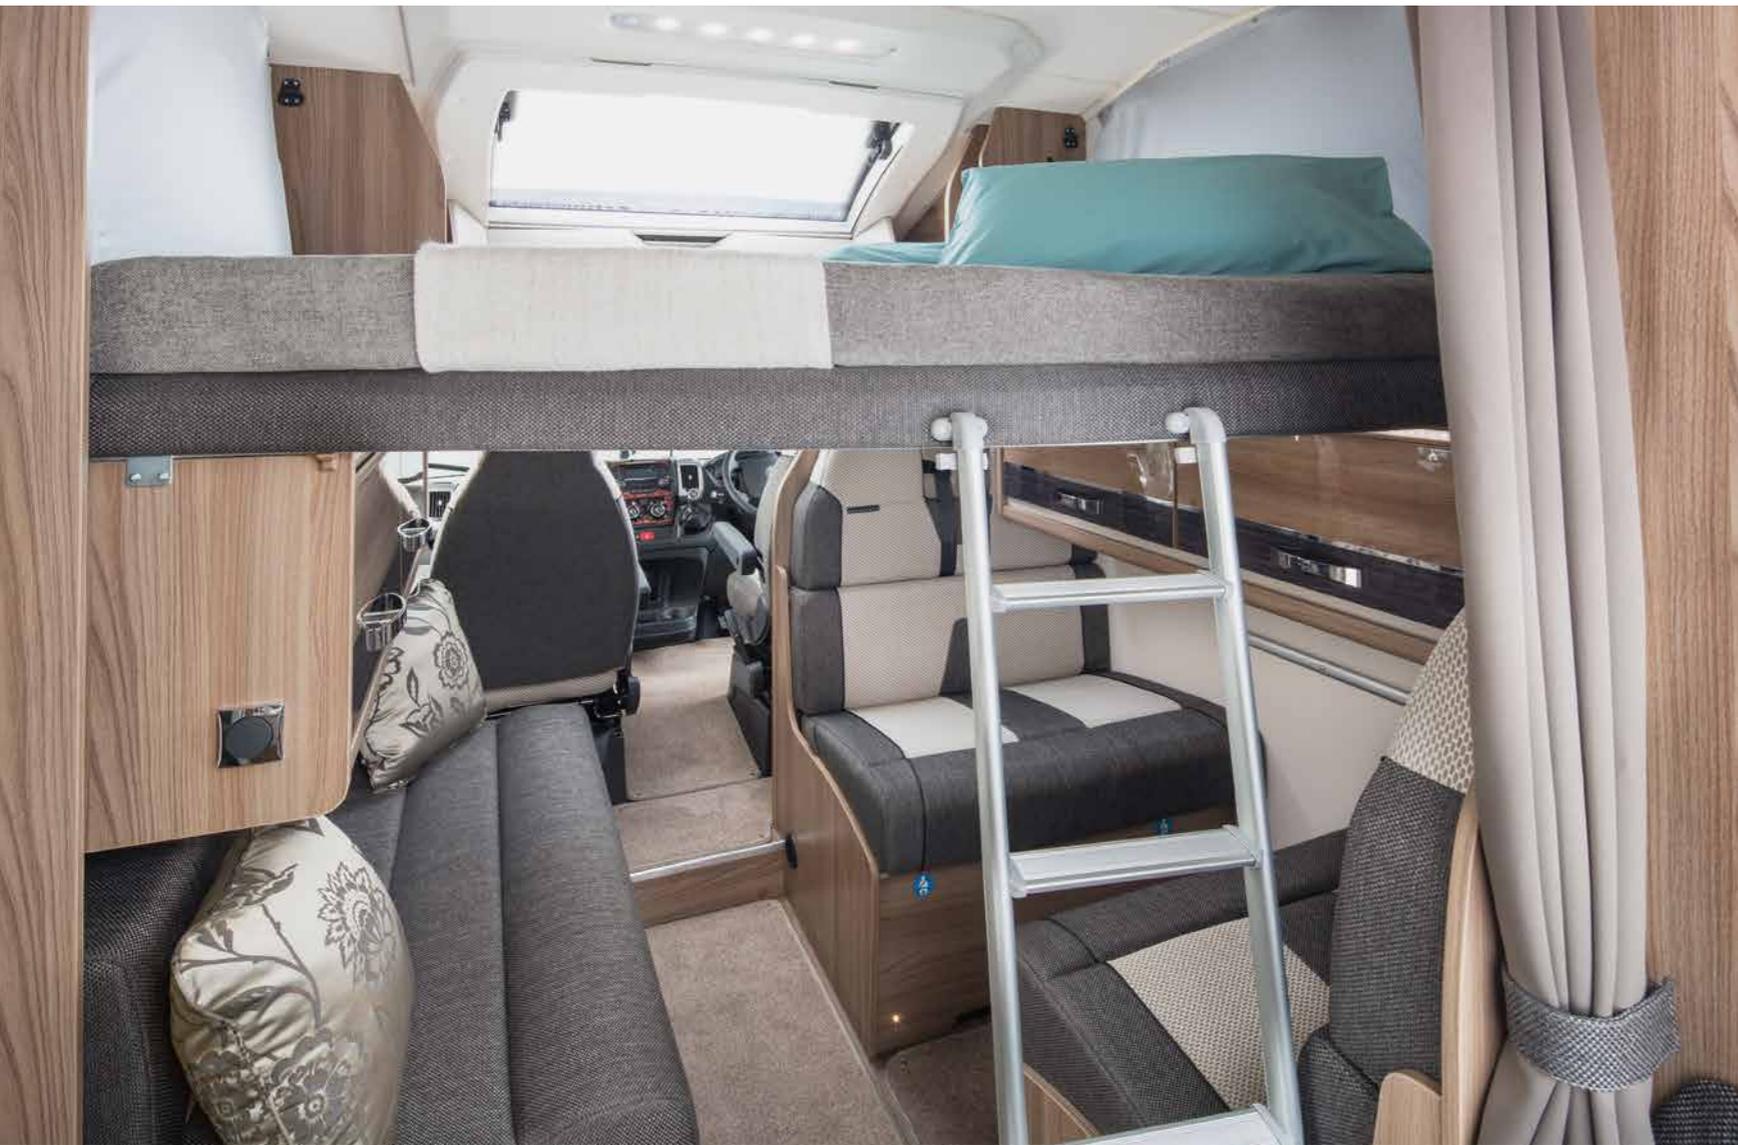

**Bessacarr is renowned for classic styling and luxury specification.**

'Aralie Sen' woodgrain with smoked oak inserts to the gloss upper locker doors combined with rich dark brown and cream soft furnishings gives a 'boutique hotel' feel to the interior.

Exclusive to Swift Group and designed to give you the ultimate night's sleep, an exclusive Duvalay Duvalite mattress, with lightweight memory fibre technology comes fitted in all fixed bed models.

The cab comes with captain style seats and a DAB radio with bluetooth phone connection, handy storage area and USB charging port.

**The cherished Bessacarr brand is a true all season motorhome.**

You'll be comfortable all year round thanks to the powerful Truma Combi boiler, easily controlled by a new digital panel, and Winter Pack fitted as standard.

You can control the onboard ambience thanks to energy efficient LEDs and dimmable spotlights. Further refinements include a well equipped kitchen with Omnivent, walnut dash trim, vanity mirror lighting, wardrobe lighting and map pockets/wall pads. The luxurious standard features are continued outside with a reversing camera for easy manoeuvring, gloss white cab mirror covers and a roll-out awning.

Powered by the Fiat 2.3 litre, 130bhp Euro 5+ turbo diesel engine, all models have a 6 speed gearbox and automatic option. You can add cab air-conditioning, cruise control and a Status 570 TV aerial with the keenly priced Lux pack.

# BESSACARR FEATURES

## Chassis-Cab

- Fiat chassis cab
- LED daytime running lights
- Stylish black bezel to headlight and black front grill
- Stylish black skid plate
- Fiat Euro 5+ 130bhp, 2.3 litre engine
- Dashboard design with fully integrated factory-fit **new** DAB Radio/MP3 player with Bluetooth, switch-off timing adjustable up to 3 hours and wing mirror antenna for better reception
- Cab battery isolation switch to prevent discharge in storage
- Driver and passenger airbags
- Concertina windscreens and side window blinds
- White cab wing mirror covers
- Walnut & silver effect dash kit
- Cab carpet (removable)
- Up-rated front suspension with higher ride height and comfortable handling
- Captains chairs with twin armrests and integrated headrest
- Driver and passenger seats with:
  - Swivels (except 462 & 496)
  - Position, height and rake adjustment (no height adjustment on passenger seat in 462 & 496)
  - Two armrests
  - Fully upholstered covers
  - Base surrounds
- ABS brakes
- EBD (electronic brake force distribution)
- Immobiliser with rolling code
- Variable power steering
- Key fob operated remote central locking of cab doors and entrance door
- Electrically operated and tinted cab windows
- Electrically adjusted and heated wing mirrors fitted with direction indicators
- Headlamp height adjustment
- Adjustable steering wheel position
- Central cup holder with slot for full width tablet and wall pocket for smart phone with USB port for charging
- **New** 12V socket and USB sockets
- **New** Tablet holder (dash mounted)
- Thatcham (category 7) approved TRACKER Retrieve fitted as standard

## Body and Exterior equipment

- European Whole Vehicle Type Approval ensures compliance with strict weight, dimensions and safety regulations
- Enhanced SMART Plus construction with Strong, moisture proof 'PURe' Polyurethane timberless framed body shell and **new** 'sandwich' floor construction with GRP outer skin, ply upper and high rigidity Styrofoam core

- **New** 34mm 'sandwich' construction hail resistant exterior GRP roof with HD polystyrene insulation core (low-line models only)
- 32mm 'sandwich' roof with HD polystyrene insulation core
- Streamlined low profile look
- GRP pod with large panoramic opening skyview window (motorised in integrated models - 424, 462 & 496)
- Front marker lights
- Seitz C8 flush fitting windows
- Five low-line models with a sleek low-line profile housing smart moulded fascia for the sunroof with side pockets
- Three integrated models with curved roof line - 424 & 496 models have electronically operated bed with three positions
  - High-level for storage in roof line
  - Mid-level to allow sleeping underneath
  - Low-level for easy bed makeup and access
- One-piece, 5000 Series marine grade aluminium side walls finished in white
- Full GRP rear panel
- Exclusive LED rear light clusters
- External white gloss corner cappings
- Dynamic graphics coordinated with white cab
- White extruded skirts link with GRP rear panel
- Gloss white finished front bumper
- 16" wheels with full wheel trims
- AL-KO low line AMC long wheel base chassis for 494 & 496
- Low energy LED exterior light
- High-level brake light
- Seitz high specification entrance door with secure 2-point locking, window, integral flyscreen, door retainer and bin
- Single key for all habitation doors
- Step well with light for easy access
- Service door for underseat/bed storage van specific (412, 442, 454, 462, 484, 494 & 496)
- Large exterior access door (424 & 484)
- Provision for 2 x 13kg gas bottles (2 x 7kg in 424) with fitted butane/propane regulator and propane hose
- Low level ventilation positioned to reduce road noise
- Heavy duty rear chassis members ready for optional towbar
- Spare wheel on under slung carrier
- Reversing camera\*
- Recessed full length roll out awning
- **New** Bike rack fixing rails fitted to the rear
- **New** Bike locking point on rear cross members

## Living Area

- 'Aruba' soft furnishing scheme with two scatter cushions
- Upholstered map/wall pocket
- 'Aralie Sen' woodgrain with contemporary colouring and high gloss upper locker doors with smoked oak inlays
- Chrome effect handles throughout
- Push-button locks on overhead locker doors

- Swift Group 'spaceframe' locker construction
- **New** Travel lock for TV brackets where fitted
- Exclusive 'Duvalay Duvalite' fixed bed mattress with lightweight memory fibre technology - hypoallergenic, excellent pressure relief, dustmite resistant and 100% recyclable
- Wardrobe lighting
- Lounge seat and bed tops with gas spring hinge supports for easy access
- **New** Pleated cassette blinds with flyscreens on all windows
- Concertina action door flyscreen
- Sectioned removable carpets for flexibility
- French Oak effect, high impact, scratch resistant floor lino
- Lap and diagonal seat belts on all designated passenger seats
- Ergonomically shaped rear travelling seats in 424, 454, 464, 484, 494 & 496 with safety frame supports
- Electrically operated lift-up bed above garage in 484 for easy access and creation of extra garage space
- **New** Increased bed length for 494 to 1.95m/6'4"
- Bed mattresses and lounge bench seat cushions supported by beech slats for extra comfort
- Seat backrest ventilation boards
- Dedicated storage locations for all tables
- Midi-Heki skylight with flynet and adjustable blind (except 412, 424, 442 & 454)
- Multi-directional clear roof light with pleated flyscreen and blind
- Domestic style mortice locks on washroom doors
- Smoke alarm
- Carbon monoxide alarm

## Kitchen

- Dometic 8-Series, 96 or 112 litre automatic energy selection fridge with removable freezer compartment (138 litre Dometic slimline fridge for 424)
- Aspire Mk 2 full oven, designed for motorhome use with improved noise reduction, separate grill and dual fuel hob with 800W electric hot plate, electronic ignition and flame failure protection
- Built-in microwave oven with digital controls
- Omnivent, three speed, two way roof fan (except 424)
- Granite-look GRP kitchen sink
- **New** Removable drainer and food grade nylon chopping board nestle together for easy storage in dedicated location
- Vector chrome effect mixer tap
- Acrylic splash back with LED lighting

## Washroom

- Vector chrome effect mixer tap
- Separate lined shower cubicle (except 484 & 496 where folding doors create dry area for toilet, towels etc.)
- **New** Ecocamel Orbit shower head with on/off button for a powerful shower that uses less water (trigger shower head in 484 & 496)

- 32mm thick entrance door with domestic style mortice lock and handle
- Lower vanity cupboard with built-in washbasin
- Thetford C260 cassette toilet with electric flush and 18 litre wheeled tank (Thetford C402 bench seat toilet on 484 & 496)
- Mini LED down lights
- Bathroom mirror lighting (except 424, 484 & 496)
- Multi-directional roof light with pleated flyscreen and blind

## Heating and Plumbing

- Grade 3 classification (EN 1646-1) for heating and thermal insulation (for sub-zero ambient temperatures)
- Dual fuel heating with Truma Combi 6 1.8kW electric/6kW gas/5.8kW combined (Truma Combi 4 1.8kW electric/4kW gas/3.8kW combined on 412 & 424)
- Digital programmable controller for heating and hot water with ability to be remote controlled via iNet Box upgrade option from Truma
- Truma 'Crash sensing Mono' regulator for en-route use of heating and water heating
- 90 litre under-floor, insulated fresh water tank with level sensor (94 litre in 462)
- Pressurised fresh water system with self-priming pump
- 68 litre waste water tank with level sensor (60 litre in 462)
- Butane/propane regulator and connection hose for propane
- 12V exterior power point for pump filling of water tank (pump not supplied)
- Winter Pack fitted as standard with:
  - Fresh and waste water tank heaters
  - Under floor waste pipe insulation
  - Fridge vent covers

## Electrical

- Mains 230V supply via easy-access consumer unit to sockets, fridge, microwave oven, heater, water heater and battery charger/transformer
- 25 Amp charger/transformer for leisure batteries
- 100 Amp-hour (Dir 2006/66/EC) leisure battery in underfloor compartment. Space for 2nd battery except 424, (sealed 75 Amp-hour battery under front driver's seat on 424) (2nd battery not supplied)
- Minimum of 4 x 230V chrome sockets
- Easy to use 12V control panel over doorway with touch controls for:
  - Vehicle/Leisure battery selection and display of:
    - Tank heaters
    - Tank levels
    - Vehicle and leisure battery state
- Enhanced ultra low energy lighting system:
  - Dimmable LED spotlights
  - Over-locker LED ambient lighting
  - Low-level night lights (operable when travelling)
  - Adjustable LED cab reading lights
- Power supply for satellite dish installation
- 25 metre mains hook-up cable

- TV station with flatscreen bracket 230V, 12V supply and co-ax link to outside connector
- **New** 100W solar panel (40W on 424)

## Key Options

- Comfort-Matic automatic gearbox with Fiat Euro 5+ 130bhp, 2.3 litre engine (only available in conjunction with Lux Pack)
- Special value Lux Pack with:
  - Cab air-conditioning
  - Cruise control
  - Status 570 TV aerial
- **New** 'SwiftShield' stain resistant, easy-clean fabric
- Top chest for rear lounge in 462 & 496
- Detachable tow bar and electrics (conforming to UN-ECE R55)
- Lounge layout options available for 454, 484 and 494
- Thule Elite G2 two cycle rack (dealer fit)

## 01. Fiat chassis cab

02. Daytime LED running lights

03. Streamlined low profile look with wider, lower body shell, panoramic opening sunroof and full length roll out awning

04. 16" wheels with full trims

05. Exclusive LED rear light clusters

06. Reversing camera

## † Optional 'Lounge' spec

The front travelling dinette can be replaced with a parallel front lounge in the 454, 484 and 494:

<b>Belted seats</b>	- 2
<b>Berths</b>	- 2
<b>Increase in User Payload</b>	200kg
<b>All other specification as table</b>	

NB. 494 MTPLM can be reduced to 3500kg with 'Lounge' option

- Notes**
- The Maximum User Payload includes:
    - the conventional load (this is the allowance for passengers)
    - essential habitation equipment (items and fluids required for safe and proper functioning of habitation equipment)
    - optional equipment (items available from the manufacturer over and above the standard specification)
    - personal effects (those items not covered by the above)
  - The Mass in Running Order is the mass of the unladen vehicle including a 75kg allowance for the driver plus engine coolants and 90% of the fuel tank and 1 x 6kg Calor Lite LPG cylinder.  
The MRO is calculated with the fresh water tank empty. If you travel with water in the fresh water tank then the payload will reduce accordingly.
  - Please take care to ensure that you have allowed for the masses of all items you intend to carry in the motor caravan, e.g. passengers, optional equipment, essential habitation equipment and personal effects, such as clothing, food, pets, bicycles, sailboards, sports equipment etc.
  - Warning - under no circumstances should the maximum technical permissible laden mass of this motor caravan be exceeded.

\* Estimated  
\*\* For optional roof ladder add 125mm to length and 40mm to low-line height.

Smile

## BOLERO

One look at the new Black Edition Bolero and we think you will agree it's simply stunning inside and out. The profile is instantly different with a new sweeping GRP front pod housing an opening sky view window and inside is a complete transformation with a highly luxurious feel.

**Stepping into the Bolero you will appreciate the attention to detail of the stunning new interior.**

Oyster Grey curved upper locker doors with gloss 'Aralie Sen' inlay, new 'Nirvana' part SwiftShield soft furnishings and soft fabric wrapped edged furniture give a luxurious feel.

The three toning fabrics enhance the sculptured seat cushions which provide improved comfort and durability. Inside you will remain cosy with new moulded seat backrest ventilation boards to improve heating circulation from the powerful Alde central heating system.

For luxury at bedtime, all fixed beds are fitted with the exclusive Duvalay Duvalite mattress, containing lightweight memory fibre technology.

**The Bolero has an expanded list of luxury, safety and practical features designed to delight.**

The new Swift Command control system features a new intelligent power supply unit with LCD control panel; certain functions can be controlled/monitored remotely via the new Swift Command App.

The leading edge design continues with FENIX NTM® kitchen worktops which are resistant to scratches, hygienic and easy to clean and a new exclusive Dometic CU600 oven with improved performance and noise reduction. There is also efficient, dimmable LED lighting, 100W solar panel and 'Ecocamel Orbit' shower head with on/off water conservation button.

Both 130bhp and 150bhp engines are available with Fiat's Comfort-Matic automatic gearbox for the ultimate in driving comfort and performance. The specially priced Vogue pack adds upgrades that include cab air-conditioning, cruise control, a twin-view reversing camera and Status 570 TV aerial.

# BOLERO FEATURES

## Chassis-Cab

- Fiat chassis cab
- LED daytime running lights
- Black metallic cab and **New** Black Edition graphics
- Fiat Euro 5+ 130bhp, 2.3 litre engine (612EK & 684FB)
- Fiat Euro 5+ 150bhp, 2.3 litre engine (714SB, 724FB & 744PR)
- Dashboard design with fully integrated factory-fit **New** DAB Radio/MP3 player with Bluetooth, switch-off timing adjustable up to 3 hours and mirror antenna for better reception
- Techno silver dash trim
- **New** Steering wheel controls
- Cab battery isolation switch to prevent discharge in storage
- Driver and passenger airbags
- Concertina windscreen blind and side window blinds
- Cab carpet (removable)
- Captains chairs with twin armrests and integrated headrest
- Driver and passenger seats both with:
  - Swivels
  - Height and rake adjustment
  - Two armrests
  - Fully upholstered covers
  - Base surrounds
- High-level instrument cluster with chrome trims
- ABS brakes
- EBD (electronic brake force distribution)
- Immobiliser with rolling code
- Variable power steering
- Key fob operated remote central locking of cab doors and entrance door
- Electric operated and tinted cab windows
- Electrically adjusted and heated wing mirrors fitted with direction indicators
- Headlamp height adjustment
- Adjustable steering wheel position
- Central cup holder with slot for full width tablet and wall pocket for smart phone with USB port for charging
- **New** 12V power sockets & USB socket
- **New** dash mounted tablet holder
- Thatcham (Category 7) approved TRACKER Retrieve fitted as standard

## Body and Exterior Equipment

- European Whole Vehicle Type Approval ensures compliance with strict weight, dimensions and safety regulations
- **Enhanced** SMART Plus construction with Strong, moisture proof 'PURe' Polyurethane timberless framed body shell and **new** 45mm 'sandwich' floor construction with GRP outer skin, ply upper and high rigidity Styrofoam core
- Fiat/AL-KO low line chassis with **New** wide track

- 16" alloy wheels (2 different styles - one for light chassis 612EK & 684FB and one for the Maxi chassis 714SB, 724FB & 744PR)
- **New** GRP pod with large panoramic opening sky view window and adjustable pleated blind
- **New** GRP inner and outer skins to side walls finished in white with strong window-line Black Edition graphics
- Full GRP rear panel with high-level brake light and camera housing
- **New** Exclusive LED rear light clusters
- Front bumper finished in body colour
- Full length recessed awning
- Integrated longitudinal roof bars (load carrying cross bars and ladder optional)
- White extruded skirts and link with GRP rear panel
- Gloss white external corner cappings
- LED Front and rear marker lights
- Seitz high specification entrance door with secure 2-point locking, window, integral flyscreen, door retainer, bin and step well light for easy access
- Seitz C8 flush fitting windows
- Service door for underseat/bed storage
- **New** Side exterior locker 684FB, 714SB & 724FB
- 31mm 'sandwich' walls with HD polystyrene insulation core
- **New** 31mm 'sandwich' construction hail resistant exterior GRP roof with improved density HD polystyrene insulation core & GRP inner skin
- LED awning light
- **New** Larger gas locker for two 13kg gas bottles with fitted butane/propane regulator and propane hose
- BBQ point
- Heavy duty rear chassis members ready for optional towbar
- Spare wheel and tyre
- **New** Bike rack fixing rails fitted to the rear
- **New** Bike locking point on AL-KO extension

## Living Area

- **New** 'Nirvana' part SwiftShield furnishing scheme with two bolster cushions
- 'Aralie Sen' woodgrain with contemporary colouring
- **New** 'Oyster Grey' curved upper locker doors with gloss 'Aralie Sen' accents
- **New** Soft fabric wrapped edged furniture moulds for seating
- Exclusive 'Duvalay Duvalite' fixed bed mattress with lightweight memory fibre technology - hypoallergenic, excellent pressure relief, dustmite resistant and 100% recyclable
- Cassette flyscreens and pleated blinds on all windows
- Concertina action door flyscreen
- **New** Chrome entrance doorway grab-handle with LED lights
- Removable carpets in living area
- French Oak effect, high impact, scratch resistant floor lino

- Push-button locks on overhead locker doors
- Swift Group 'spaceframe' locker construction
- Ergonomically shaped rear travelling seats (684FB, 714SB, 724FB & 744PR)
- **New** Sculptured seat cushions for improved comfort and durability
- Lounge bench seat cushions supported by beech slats for extra comfort
- **New** Moulded seat backrest ventilation boards to improve heat convection
- Dining table with dedicated storage location
- **New** Travel lock for TV brackets where fitted
- Midi-Heki skylight with flynet and adjustable blind (not 612EK)
- Domestic style mortice locks on washroom
- Removable step well mat
- Black branded speakers
- Smoke alarm
- Carbon monoxide alarm

## Kitchen

- Contrasting furniture doors with chrome accents
- Dometic 8-Series 190 litre fridge/freezer with automatic energy selection (110 litres on 744PR and 96 litres on 612EK)
- Mini-Heki skylight with flynet and adjustable blind
- Built-in microwave oven with digital controls
- Printed back-lit acrylic splash back
- **New** Innovative FENIX NTM® kitchen worktops (resistant to scratches, enhanced antibacterial properties and easy to clean) with fold down flaps and underslung stainless steel sink
- Removable drainer and food grade nylon chopping board nestle together for easy storage in dedicated location
- Vector chrome effect mixer tap
- **New** Exclusive Dometic CU600 oven, designed for motorhome use with improved performance and noise reduction, separate grill and dual fuel hob with 800W electric, electronic ignition and flame failure protection
- **New** Soft close doors & drawers (model specific)

## Washroom

- **New** Ecocamel Orbit shower head with on/off button for a powerful shower that uses less water
- Decorative inlay on washroom door
- Shower cubicle or fully lined shower area
- Shower bi-fold door
- **New** Restyled vanity area
- **New** Swivel spout vanity taps for improved use
- Overhead storage locker
- Skylight with flyscreen
- New Towel radiator 714SB & 724FB

## Heating and Plumbing

- Grade 3 classification (EN 1646-1) for heating and thermal insulation (for sub-zero ambient temperatures)

- Alde dual fuel radiator central heating and water heating with daily programming, LCD control panel with 1kW, 2kW or 3kW settings
- Alde circulation pump with 5 speed settings
- Heated towel radiator in 714SB & 724FB
- Truma 'Crash Sensor Mono' regulator for en-route operation with connection hose for propane
- 94 litre under-floor, insulated fresh water tank with level sensor
- Pressurised fresh water system with self-priming pump
- 100 litre waste water tank with level sensor (47 litre in 612EK)
- Waste pipes insulated for winter use
- Drain valve actuation point including brace
- 12V exterior power point for pump filling of water tank (pump not supplied)
- Winter Pack fitted as standard with fresh/waste water tank heaters, under floor waste pipe insulation and fridge vent winter covers

## Electrical

- **New** Swift Command control system
  - **New** Swift Command intelligent power supply unit with LCD control panel; functions include vehicle/leisure battery selection, battery state meter, lighting and water pump circuit controls, internal & external temperature, internal humidity levels, 230V load limiter (settable between 5 Amps & 16 Amps), solar panel charging levels, heating controls and Bluetooth connection
  - **New** Swift Command App allows many functions to be controlled/monitored remotely (see page 82)
- Mains 230V supply via easy-access consumer unit to sockets, fridge, microwave oven, combi-boiler and battery charger/transformer
- 25 Amp charger/transformer for leisure batteries
- 100 Amp-hour (Dir 2006/66/EC) leisure battery in storage compartment (space for 2nd battery, battery not supplied)
- Minimum of 5 mains chrome 230V sockets
- Ultra low energy lighting system:
  - Dimmable LED spotlights and downlighters
  - Overlocker LED lighting
  - Adjustable LED cab reading lights
  - Low-level night lights (operable when travelling)
- Power supply for satellite dish installation
- 25 metre mains hook-up cable
- TV station with flatscreen bracket 230V, 12V supply and co-ax link to outside connector
- **New** 100W solar panel

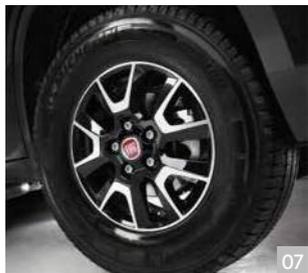

## Options

- Comfort-Matic automatic gearbox with 150bhp with ESP, 2.3 litre engine in 714SB, 724FB & 744PR (only available in conjunction with Vogue Pack)
- Comfort-Matic automatic gearbox with 130bhp, 2.3 litre engine in 612EK & 684FB (only available in conjunction with Vogue Pack)

- Leather and SwiftShield soft furnishing scheme
- Detachable tow bar and electrics (conforming to 94/20/EU)
- Roof rack and Ladder
- Special value Vogue Pack with:
  - Twin view colour reversing camera allowing use en-route\*
  - Cab air-conditioning
  - Cruise control
  - Status 570 TV aerial
- 'Lounge' layout options for 684FB, 714SB & 724FB
- Thule Elite G2 two cycle rack (dealer fit)

01. Black metallic Fiat cab with Black Edition graphics and LED daytime running lights
02. **New** GRP pod with large panoramic opening sky view window
03. **New** Soft fabric wrapped furniture edges to seating
04. **New** Exclusive LED rear light clusters
05. **New** Fixing bars for rear mounted optional dealer fit Thule Elite G2 two cycle rack and bike locking point on AL-KO extension
06. Dashboard design with Techno silver dash trim, fully integrated factory-fit DAB Radio/MP3 player with Bluetooth
07. 16" alloy wheels (two different styles - light chassis style shown)
08. Winter Pack fitted as standard with:
  - Fresh and waste water tank heaters
  - Under floor waste pipe insulation
  - Fridge vent covers
09. **New** 100W solar panel
10. **New** Modern, curved upper locker doors with gloss 'Aralie Sen' accents and **New** 'Nirvana' part SwiftShield soft furnishings
11. **New** FENIX NTM® kitchen worktops (resistant to scratches, hygienic and easy to clean)
12. **New** Exclusive Dometic CU600 oven (improved efficiency and noise reduction)
13. Ultra low energy lighting with LED over locker ambient lighting, LED spot lights and adjustable LED cab reading lights
14. Alde radiator central heating with daily programming and LCD touch screen control
15. Dometic 8-Series 190 litre fridge/freezer with automatic energy selection (110 litres on 744PR and 96 litres on 612EK)
16. Exclusive 'Duvalay Duvalite' fixed bed mattress

\* Dependent on model, visibility through the rear camera may be reduced when bicycles are carried on optional bike carrier.

## † NEW Optional 'Lounge' spec

The front travelling dinette can be replaced with a parallel front lounge in the 684FB, 714SB & 724FB:

<b>Belted seats</b>	- 2
<b>Berths</b>	- 2
<b>Increase in User Payload</b>	200kg
<b>All other specification as table</b>	

NB. 684FB MTPLM can be reduced to 3500kg with 'Lounge' option

### Notes

- The Maximum User Payload includes:
  - the conventional load (this is the allowance for passengers)
  - essential habitation equipment (items and fluids required for safe and proper functioning of habitation equipment)
  - optional equipment (items available from the manufacturer over and above the standard specification)
  - personal effects (those items not covered by the above)
- The Mass in Running Order is the mass of the unladen vehicle including a 75kg allowance for the driver plus engine coolants and 90% of the fuel tank capacity and 1 x 6kg Calor Lite LPG cylinder.  
The MRO is calculated with the fresh water tank empty. If you travel with water in the fresh water tank then the payload will reduce accordingly.
- Please take care to ensure that you have allowed for the masses of all items you intend to carry in the motor caravan, e.g. passengers, optional equipment, essential habitation equipment and personal effects, such as clothing, food, pets, bicycles, sailboards, sports equipment etc.
- Warning - under no circumstances should the maximum technical permissible laden mass of this motor caravan be exceeded.

\* Estimated

\*\* For optional roof ladder add 100mm.

† With this vehicle configuration it will be necessary to reduce the payload carried inside the van when towing a trailer at maximum trailer weight to ensure that the Maximum Gross Train Weight and maximum axle loads are not exceeded.

*Smile*

## KON-TIKI

Synonymous with impressive style and high standards, this top range enjoys an enviable combination of comfort, practicality and design innovation. Soft furnishings and interior finishes are more opulent for the new season and its 'Black Edition' status gives the ultimate in specification as standard.

SMART PLUS

**Carefully designed and cleverly detailed the spacious interiors provide the maximum in comfort and practicality.**

Whether you're relaxing or entertaining you will be enveloped by the carefully chosen 'Carabu' soft furnishing scheme which features SwiftShield, a stain resistant fabric that keeps its good looks. For added luxury there is also a part leather option.

To create the perfect ambience at night the interior can be lit with overlocker lighting, dimmable spots and the feature lit kitchen splashback which all use energy efficient LEDs.

For luxury at bedtime, all fixed beds are fitted with the exclusive Duvalay Duvalite mattress, containing lightweight yet sumptuously comfortable memory fibre technology.

Fully equipped, the Kon-tiki is the pinnacle of the Swift range of motorhomes and comes with an impressive specification.

The kitchen work surface is crowned with HI-MACS® natural acrylic stone, a non-porous, dirt-repellent surface and an exclusive Dometic CU600 oven has improved performance and noise reduction.

The new Swift Command control system features a new intelligent power supply unit with LCD control panel; many functions can be controlled/monitored remotely via the new Swift Command App.

Kon-tiki models are truly suitable for all year round use with Alde radiator central heating to quickly warm the interior. It can also be used en-route to ensure you arrive in comfort. There is also a 120W solar panel, exterior shower and BBQ point for alfresco living.

# KON-TIKI FEATURES

## Chassis-Cab

- Fiat chassis cab
- Black metallic cab and Black Edition graphics
- Front bumper finished in body colour
- LED daytime running lights
- Fiat Euro 5+ 150bhp, 2.3 litre engine
- Dashboard design with fully integrated factory-fit DAB Radio/MP3 player with Bluetooth, switch-off timing adjustable up to 3 hours and mirror antenna for better reception
- High-level instrument cluster with chrome trims
- Bronze dashboard trim
- Cab battery isolation switch to prevent discharge in storage
- Cab air-conditioning
- Cruise control
- Leather steering wheel and gear knob
- **New** Steering wheel controls
- Driver and passenger airbags
- Concertina windscreen blind and side window blinds
- Captains chairs with twin armrests and integrated headrest
- Driver and passenger seats both with:
  - Swivels
  - Height and rake adjustment
  - Two armrests
  - Fully upholstered covers
  - Base surrounds
- ABS brakes
- EBD (electronic brake force distribution)
- Immobiliser with rolling code
- Variable power steering
- Electric operated and tinted cab windows
- Electrically adjusted and heated wing mirrors fitted with direction indicators
- Headlamp height adjustment
- Adjustable steering wheel position
- Central cup holder with slot for full width tablet and wall pocket for smart phone with USB port for charging
- **New** 12V socket and USB socket
- **New** Dash mounted tablet holder
- Thatcham (Category 7) approved TRACKER Retrieve fitted as standard

## Body and Exterior Equipment

- European Whole Vehicle Type Approval ensures compliance with strict weight, dimensions and safety regulations
- **Enhanced** SMART Plus construction with Strong, moisture proof 'PURe' Polyurethane timberless framed body shell and **new** 45mm 'sandwich' floor construction with GRP outer skin, ply upper and high rigidity Styrofoam core
- **New** One-piece GRP side-walls finished in white
- Fiat/AL-KO double floor, wide track chassis housing water tanks, plumbing, heating ducts and underfloor storage tray(s)
- Low-line models with 'Skyview' panoramic opening roof-window

- High-line models with large A-Class style aluminium framed, gas strut assisted over-cab bed
- Exterior access doors supported with gas struts for ease of operation
- Pull-out underfloor pannier locker for water hose and electric cable reels
- Stylish 16" alloy wheels
- Seitz high specification entrance door with secure 2-point locking, window, integral flyscreen, door retainer, bin and step well light
- Flush fitting aluminium-framed double glazed opening windows
- Two opening windows in high-line overcab area
- Two Midi-Heki skylights with flynet and adjustable blinds (one on single axle models)
- LED exterior awning light (two on the twin axle models)
- Compartment for two 13kg gas bottles with fitted Truma 'Crash Sensor Mono' butane/propane regulator and propane hose
- Twin view colour reversing camera allowing use en-route\*
- One-piece GRP roof supported by 34mm 'sandwich' construction
- Rear panel with high-level brake light
- Full length recessed awning
- Integrated longitudinal roof bars (load carrying cross bars and ladder optional)
- Strong extruded aluminium skirts
- Key fob operated remote central locking of cab doors and entrance door
- BBQ point
- External shower point
- Spare wheel on under slung carrier (not 635 & 679)
- Heavy duty rear chassis members ready for optional towbar
- **New** Bike rack fixing rails fitted to the rear
- **New** Bike locking point fixed to rear cross member

## Living Area

- **New** 'Carabu' part SwiftShield soft furnishing scheme with scatter cushions and bolsters
- 'Aralie Sen' woodgrain with contemporary colouring
- Gloss finish locker doors with Hessian colour inlay and chrome handles
- Chrome push-button locks on overhead locker doors
- Ergonomically shaped rear travelling seats
- Two-position front seating arrangement providing L-shape lounge or two forward facing travelling seats (635, 669 & 679)
- Exclusive 'Duvalay Duvalite' fixed bed mattress with lightweight memory fibre technology - hypoallergenic, excellent pressure relief, dustmite resistant and 100% recyclable
- Adjustable swivel-arm coffee table (except 649)
- Black branded speakers
- Moulded over-cab base with storage recesses in high-line models
- Moulded over-cab storage lockers in low-line models
- Swift Group 'spaceframe' locker construction

- Removable aluminium ladder to the over-cab bed in high-line models
- Lounge seat and bed tops with sprung support for easy access
- Bed mattresses and lounge bench seat cushions supported by beech slats for extra comfort
- Seat backrest ventilation boards
- Free-standing table with dedicated storage location
- **New** Travel lock for TV brackets where fitted
- Domestic style mortice locks on washroom and wardrobe doors
- Cassette flyscreens and pleated blinds on all windows
- Luxury curtain tabbards
- Concertina action door flyscreen
- Sectioned removable carpets for flexibility
- French Oak effect, high impact, scratch resistant floor lino
- Removable step well mat
- **New** Chrome entrance doorway grab-handle with LED lights
- Smoke alarm
- Carbon monoxide alarm

## Kitchen

- Beige 'Hessian' effect kitchen cabinets
- 190 litre Dometic 8-Series automatic energy selection fridge/freezer (110 Litre in 649)
- Built-in microwave oven with digital controls in stainless steel surround
- **New** Exclusive Dometic CU600 oven, designed for motorhome use with improved performance and noise reduction, separate grill and dual kitchen extractor fan
- **New** HI-MACS® natural acrylic stone solid kitchen work surface and stainless steel underslung sink
- Removable drainer and food grade nylon chopping board nestle together for easy storage in dedicated location
- Vector chrome kitchen mixer tap
- Printed back-lit acrylic splash back
- Pull-out storage baskets
- Crockery storage tray with moulded pockets and retaining straps
- **New** Soft-close drawers for smooth operation

## Washroom

- Fully lined separate shower cubicle
- **New** Ecocamel Orbit shower head with on/off button for a powerful shower that uses less water
- Shower mat
- **New** Shower bi-fold door retained on track for improved access
- Lower cupboard with built-in washbasin
- Vector chrome finish brass vanity mixer tap
- Etched mirror with lights
- Overhead storage locker
- Thetford C260 swivel cassette toilet with electric flush
- Shower room radiator
- Skylight with flyscreen

## Heating and Plumbing

- Grade 3 classification (EN 1646-1) for heating and thermal insulation (for sub-zero ambient temperatures)
- Winter Pack fitted as standard with fresh and waste water tank heater, waste pipe insulation and fridge vent covers
- Alde dual fuel radiator central heating and water heating with daily programming, LCD control panel with 1kW, 2kW or 3kW settings
- En-route heating system utilising engine output to run radiators, providing cost free on road heating
- 125 litre underfloor, insulated heated fresh water tank with level sensor
- 100 litre heated waste water tank with level sensor
- Large bore rigid waste pipes insulated for winter use
- Pressurised fresh water system with self-priming pump
- 12V exterior power point for pump filling of water tank (pump not supplied)

## Electrical

- **New** Swift Command control system
  - **New** Swift Command intelligent power supply unit with LCD control panel; functions include vehicle/leisure battery selection, battery state meter, lighting and water pump circuit controls, internal & external temperature, internal humidity levels, 230V load limiter (settable between 5 Amps & 16 Amps), solar panel charging levels, heating controls and Bluetooth connection
  - **New** Swift Command App allows many functions to be controlled/monitored remotely (see page 82)
- Two 100 Amp-hour (Dir 2006/66/EC) leisure batteries in underfloor compartment
- Minimum of 9 mains 230V chrome sockets (including two in cab area and one in the garage where applicable)
- Dedicated cupboard space for satellite de-coder with mains 230V and 12V sockets
- Two TV stations, at least one suitable for 19" TV
- Mains 230V supply via easy-access eye-level consumer unit to sockets, fridge, microwave oven, combi-boiler and battery charger/transformer
- 25 Amp charger/transformer for leisure batteries
- Ultra low energy lighting system:
  - LED spotlights with downlighters
  - LED strip lighting over lockers
  - Adjustable LED cab reading lights
  - Lighting in underfloor storage trays
  - Low-level night light
  - Dimmable interior lights
- 120W solar panel
- Status 570 TV aerial
- Roof and cable preparation for satellite dish installation
- 25 metre mains hook-up cable

## Options

- Upgrade from 150MJ to 150MJ engine with Comfort-Matic auto gearbox (625 & 635 only)

- Upgrade to 180bhp, manual 3.0 litre engine (649, 669 & 679 only)
- Comfort-Matic automatic gearbox and upgrade to 180bhp, 3.0 litre engine (649, 669 & 679 only)
- Winchester Stone part leather and SwiftShield soft furnishing scheme
- Detachable tow bar and electrics (conforming to UN-ECE R55)
- Roof rack and ladder
- 'Lounge' option on 625 and 635
- Thule Elite G2 two cycle rack (dealer fit)

- Super low-line AL-KO chassis with double floor housing services
- New** One-piece GRP side walls finished in white with strong window-line Black Edition graphics
- Fiat chassis cab in black metallic finish with black edition graphics and LED daytime running lights
- New** Fixing bars for rear mounted optional dealer fit Thule Elite G2 two cycle rack and bike locking point on rear cross member
- Dashboard design with fully integrated factory-fit DAB Radio/MP3 player with Bluetooth, switch-off timing adjustable up to 3 hours and wing mirror antenna for better reception
- 16" alloy wheels
- Pull out under floor pannier locker for water hose and electric cable reels
- 120W Solar panel for greater independence
- Exterior BBQ and shower point
- Twin view colour reversing camera allowing en-route use
- High Gloss 'Aralie Sen' woodgrain finish locker doors with Hessian colour inlay and chrome handles plus ultra low energy lighting system with dimmable interior lights
- New** Hi-MACS® natural acrylic stone solid kitchen work surface and stainless steel underslung sink
- New** Exclusive Dometic CU600 oven (improved efficiency and noise reduction)
- Alde radiator central heating with daily programming, LCD touch screen control, towel radiator and Alde heat exchange unit for en-route heating without use of gas
- Dometic 8-Series 190 litre fridge/freezer with automatic energy selection (110 Litre on 649)
- Exclusive 'Duvalay Duvalite' fixed bed mattress with lightweight memory fibre technology - hypoallergenic, excellent pressure relief, dustmite resistant and 100% recyclable

\* Dependent on model, visibility through the rear camera may be reduced when bicycles are carried on optional bike carrier.

## ± Optional 'Lounge' spec

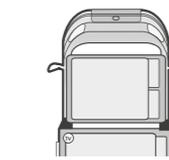

The front travelling dinette can be replaced with a parallel front lounge in the 625 and 635:

<b>Belted seats</b>	- 2
<b>Berths</b>	- 2
<b>Increase User Payload</b>	200kg
<b>All other specification as table</b>	

## † Optional High Line spec

For High-line overcab option the following specifications changes apply:

<b>Berths (sleeping positions)</b>	+ 2
<b>Mass in Running Order</b>	+ 60kg
<b>Maximum User Payload</b>	- 60kg
<b>Overcab Bed</b>	1.91m x 1.37m/6'3" x 4'6"
<b>Overall Height</b>	3.08m/10'1"
<b>All other specification as table</b>	

## Notes

- The Maximum User Payload includes:
  - the conventional load (this is the allowance for passengers)
  - essential habitation equipment (items and fluids required for safe and proper functioning of habitation equipment)
  - optional equipment (items available from the manufacturer over and above the standard specification)
  - personal effects (those items not covered by the above)
- The Mass in Running Order is the mass of the unladen vehicle including a 75kg allowance for the driver plus engine coolants and 90% of the fuel tank capacity and 1 x 6kg Calor Lite LPG cylinder.
 

The MRO is calculated with the fresh water tank empty on all layouts and with one 13kg LPG cylinder (625 & 635 only). If you travel with water in the fresh water tank then the payload will reduce accordingly.

There is provision for a second 13kg LPG cylinder within the payload allowance should the customer choose to utilise it.
- Please take care to ensure that you have allowed for the masses of all items you intend to carry in the motor caravan, e.g. passengers, optional equipment, essential habitation equipment and personal effects, such as clothing, food, pets, bicycles, sailboards, sports equipment etc.
- Warning - under no circumstances should the maximum technical permissible laden mass of this motor caravan be exceeded.

\* Add 120mm to length if ladder option fitted.

\*\* Add 100mm to height on low line only if ladder fitted.

\*\*\* Maximum trailer nose weight limited to 40kg.

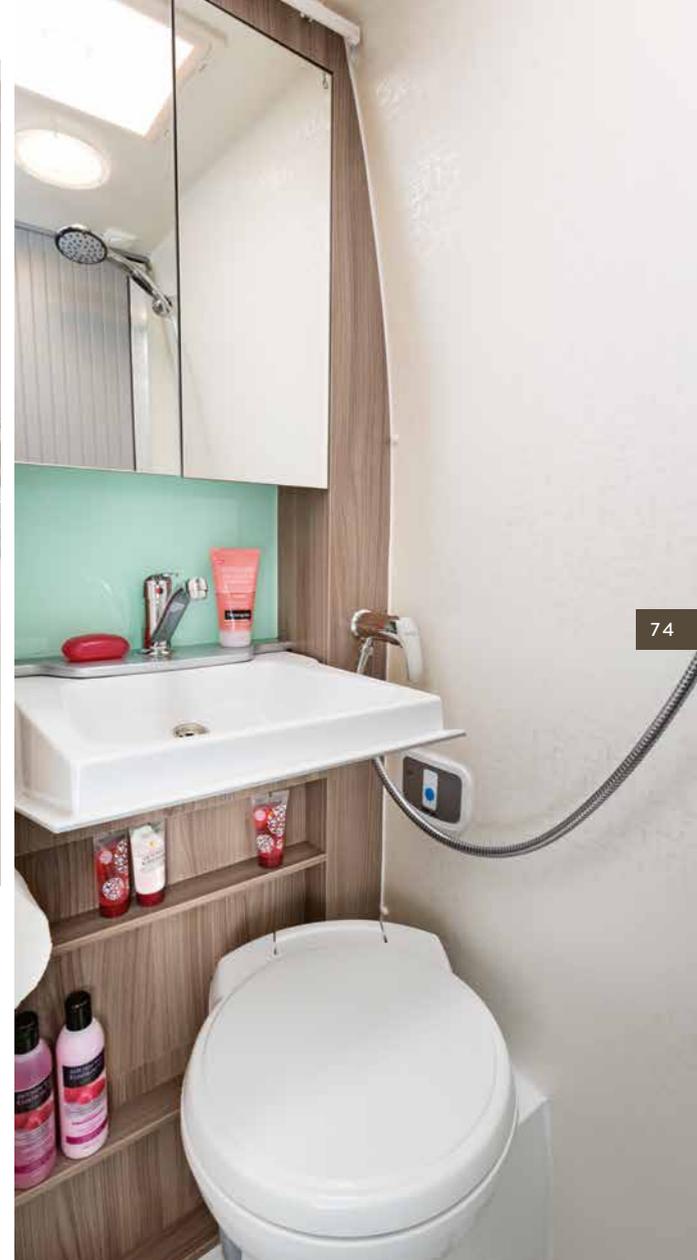

Smile

### AUTOCRUISE

Whether you need a vehicle for everyday use, sport, relaxing holidays or business, the Autocruise van conversion range is incredibly versatile. They offer all the comforts of larger coachbuilt models in a more manageable size with real car like performance.

**The enduring popularity of the Autocruise Panel Van range is proof of its ability to out match its rivals in specification, features and looks and continually offer layouts that are in demand and style.**

'Aralie Sen' woodgrain with an ashen brown hue adorns the furniture and upper locker doors, which sport a gloss finish and house 'Smoked Oak' lower inlays.

'Edison' soft furnishings with a monochrome timeless class and chrome sockets, switches and push button locker catches give the interior a contemporary feel. Ergonomic travellers seats complement the captains style cab seats ensuring driver and passengers alike reach their destination in the utmost comfort.

**The flexible and feature rich, four model range makes the most of every inch of its interior and is configured to meet a variety of leisure uses.**

Based on a Fiat Ducato with an automatic engine option, they are transformed to provide all the home comforts of larger coachbuilt models in a more manageable size. They have a very high specification with Truma Combi heating as standard ensuring all Autocruise models easily reach the Grade 3 standard for heating and thermal insulation.

Well equipped kitchens and washrooms and even a fixed bed in the Alto model ensure a comfortable stay away.

Overall Body Width (Mirrors folded)	2.26m / 7' 5"	
Overall Height	2.72m / 8' 11"	
Standard Awning	Thule 6200 3.5m	
Maximum Technical Permissible Laden Mass (A)	3500kg	
Mass in Running Order (B)	3075kg	3092kg
Maximum User Payload (A-B)	425kg	408kg
Essential Habitation Equipment	9kg	
Thermal Insulation Grade	THREE	
<b>BED SIZES</b>		
Front Double	1.76m x 1.22m / 5'9" x 4'0"	
Front Offside Single	1.70m x 0.90m/0.54m / 5'7" x 2'11"/1'9"	
Rear Double	1.86m x 1.20m / 6'1" x 3'11"	

## Notes

- The Maximum User Payload includes:
  - the conventional load (this is the allowance for passengers)
  - essential habitation equipment (items and fluids required for safe and proper functioning of habitation equipment)
  - optional equipment (items available from the manufacturer over and above the standard specification)
  - personal effects (those items not covered by the above)
- The Mass in Running Order is the mass of the unladen vehicle including a 75kg allowance for the driver plus engine coolants and 90% of the fuel tank capacity and 1 x 6kg Calor Lite LPG cylinder. The MRO is calculated with the fresh water tank empty. If you travel with water in the fresh water tank then the payload will reduce accordingly.
- Please take care to ensure that you have allowed for the masses of all items you intend to carry in the motor caravan, e.g. passengers, optional equipment, essential habitation equipment and personal effects, such as clothing, food, pets, bicycles, sailboards, sports equipment etc.
- Warning - under no circumstances should the maximum technical permissible laden mass of this motor caravan be exceeded.

## VALUE ADDED PARTNERSHIPS

The only Motorhome Cover recommended by the Swift Group is made here in the UK by Specialised Covers. Each cover is tailored to your specific Swift Group model and is the premium protective storage cover on the market. Made from the very best fabric, the storage cover is perfectly balanced between being waterproof and breathable, to help protect your new Swift motorhome.

New for this season, all Swift Group coachbuilt motorhomes are now fitted as standard with fixing bars on the rear panel designed to take an optional dealer fit Thule rear mounted two cycle rack.

## EXCLUSIVE TO SWIFT GROUP

'Duvalay Duvalite' is an innovative mattress made with lightweight memory fibre technology. This hypoallergenic fibre remains as comfortable as memory foam but has many other benefits. Helping eliminate heat retention it gives superior temperature harmony, excellent pressure relief and is durable and resilient. It is resistant to dust-mite and is 100% recyclable. Being ultra light weight it also contributes to significant weight savings.

Swift Group Motorhomes are fitted with the self-powered Thatcham approved TRACKER Retrieve system. This is one of the most effective tracking systems available, recognised by all police forces. Powered by its own battery, it is ideal while the motorhome is in use or in storage. Activation of the system is via a specially negotiated annual subscription.

'SwiftShield' fabric has a soft suede type feel and has been cleverly treated during manufacturing to resist stains. It is very easy to clean and just requires a soft cloth dampened with water to remove most stains. SwiftShield is Exclusive to the Swift Group, you can find out more on Swift TV. [www.swifttv.co.uk](http://www.swifttv.co.uk)

Fitted exclusively for Swift Group in all 2016 Swift Bolero and Kon-tiki motorhome models is the new Dometic CU600 oven.

- This has improved oven performance including:
- Reduced cooking time
  - Improved cooking uniformity
  - Improved grill performance
  - Improved noise reduction during transit
  - Sleeker design

## EXCLUSIVE TO SWIFT GROUP

**SWIFT  
COMMAND**

Developed in conjunction with  
**SARGENT**

## PUTTING YOU IN CONTROL

Swift Command is an exciting new system exclusive to Swift Group that connects you with your motorhome to give you greater control than ever before. It features on Bolero and Kon-tiki ranges for 2016.

The new intelligent Swift Command power supply unit comes with a smart LCD control panel that has enhanced control panel functions. As well as all the familiar controls for battery selection, battery state meter, lighting and water pump circuit controls, a new AC current limiter, when set automatically reduces the central heating / water heater power to match the site supply and a range of new sensors and gauges like the battery and solar current meter are great for the techies to see how much power is being used or generated.

An exciting Swift Command App links with Swift Command power supply unit to allow remote control/ monitoring of certain vehicle systems and further information such as:

- Power information and control
- Lighting control
- Water system control
- Heating control
- GPS position and tracking
- Alerts & notifications
- Account and system settings
- User manual
- Swift website link

Bluetooth and GPRS data connection provides access to the motorhome from near and far (signal or wi-fi required) on a phone, tablet or PC via the App. You simply download the Swift Command App from the Apple App Store, the Android Play store or the Windows store and register your details. Visit [www.swiftcommand.co.uk](http://www.swiftcommand.co.uk) for more details.

Ask your dealer for more information.

# WHERE THE HEAD MEETS THE HEART

Your head says you need a motorhome that's durable, functional, comfortable, safe and secure. Your heart wants great looks and a great choice. With Swift Group you can have the best of both worlds with the backing of a company established over 50 years.

SWIFT MADE TO MAKE YOU *Smile*

## DURABILITY

- Unique SMART Plus construction system on all coachbuilt models
- Rigorous safety testing at Millbrook, cold chamber testing down to minus 15°C and beyond, puts prototypes through conditions most products will never have to experience in a life time, all part of the Swift ethos to deliver the best product possible to you
- One piece 5000 Series marine grade aluminium side panels for good impact and corrosion resistance (GRP on Bolero and Kon-tiki)
- Assured build construction with a manufacturer backed, free 10 year bodyshell warranty standard on all coachbuilt motorhomes

## FUNCTIONALITY

- Significant advancements in design and storage that optimise your living and sleeping space and comfort
- A host of money saving developments including solar panels and use of low energy lighting
- Use of Computational Fluid Dynamics to help shape the bodyshell for better fuel consumption
- Alde or Truma dual fuel heating and hot water for optimum performance
- Swift Command system on Bolero and Kon-tiki ranges

Developed in conjunction with SARGENT

## COMFORT

- Grade III classification of thermal insulation for all year round comfort
- Sprung beech slats for comfortable seating and sleeping
- Regency 100% bleach cleanable carpets designed to repel everyday spills, stains and dirt
- Exclusive Duvalay Duvalite mattresses on fixed beds with memory fibre technology

## SAFETY AND SECURITY

- All Swift products are certified by the National Caravan Council to ensure they are both legal and safe
- All Swift Motorhomes have European Whole Vehicle Type Approval to ensure compliance with strict weight, dimension and safety requirements
- Security including a Thatcham approved TRACKER system fitted as standard on all motorhomes

The self-powered TRACKER Retrieve system is one of the most effective tracking systems available, recognised by all police forces. Powered by its own battery, it is ideal while the motorhome is in use or in storage. Activation of the system is via a specially negotiated annual subscription

## STYLE AND CHOICE

- Modern desirable looks inside and out
- Choice of motorhome vehicle weights starting from 3.3 tonne
- Models from entry level to top of the range luxury to cater for a wide range of budgets

## ESTABLISHED FOR OVER 50 YEARS

- Experienced company with over 50 years of manufacturing knowledge and dedicated long serving craftsmen
- Europe's No1 manufacturer of Caravans, Motorhomes and Holiday Homes
- Swift Group undertakes what is probably the most extensive research and testing programme in the industry to ensure the design team can create products that set the industry standard for style, value and practicality
- Recycling waste and reducing carbon emissions is a fundamental part of the Swift ethos and initiatives are always underway to achieve further improvements wherever possible
- At the forefront of product design with exceptional style, inside and out, just wander into any Swift Group dealership to see for yourself

## DEDICATED CUSTOMER CARE

- We believe our after sales and customer care are the best in the industry - check out our customer testimonials at [swiftgroup.co.uk/swift-group/testimonials](http://swiftgroup.co.uk/swift-group/testimonials)
- A multi million pound investment programme in online technology enables dealers not only to order online, including spare parts, but also to check product availability and delivery dates
- **Swift Talk** – Swift Group's own dedicated social media site is the industry's most popular social networking site with over 15,000 members. Swift Group staff monitor the forum and answer questions daily, providing invaluable help and support where they can to customers. A number of key suppliers and dealers are also active Swift Talk forum members too

Social Network for Caravan, Motorhome and Holiday Home Enthusiasts

## SWIFT CONNECT - AN EXCLUSIVE AFTER SALES SERVICE FOR OWNERS OF SWIFT BOLERO AND KON-TIKI MOTORHOMES

The Swift Group is proud to launch an exclusive service available to owners of Swift Bolero and Kon-tiki motorhomes

### What is Connect Direct?

Connect Direct is an online system, which provides each owner with a personal profile, with the ability to make the experience of owning their motorhome even more unique.

### How does it work?

Once you have logged on and created your profile, you will be able to access a whole host of information, specific to your motorhome. In addition you will be able to have a direct line into the retail team, with the launch of a live chat facility.

Should a problem occur, you will be able to report a fault to us directly, enabling us to react quickly and work together with your dealer to take the problem away from you the owner and resolve the issue as quickly as possible.

Product upgrades and notifications will be sent via Connect Direct keeping you up to date over the coming years. This online system provides a direct route for you into the Swift Group, and enables us to provide you with proactive Customer Service support, enhancing your experience.

Connect Direct is in addition to the traditional methods of contacting us.

### The key benefits of Connect Direct are:

- Access to information 24/7
- Ability to report faults directly to us
- Product upgrades and notifications
- Live chat direct into our experienced retail team
- Upload service history records
- Service history reminders
