STEP INTO A RANGE THAT SUITS YOU

Sterling Caravans with their distinctive up-to-the-minute appearance have a stylish interior that evokes the feeling found in many modern homes. Living spaces are given a feeling of light and space, balancing neutral base colours with bright accents and textured designs. Exteriors are highlighted with distinctive graphite accents complementing sweeping front profiles.

SMART Plus has been enhanced for 2017 for the Eccles range. Elite and Continental continue with SMART HT. With so much choice there is sure to be a Sterling that's perfect for you.

03 THE SWIFT DIFFERENCE
 Where the head meets the heart
 Our Innovations
 Built by Swift

13 THE SWIFT EXPERIENCE
 Country, coast and freedom

54 VALUE ADDED PARTNERSHIPS
 Bringing you the best

19 ECCLES
 Outstanding value at weights that can be towed by most family cars.

29 ELITE
 Exterior and interior refinement for five star touring luxury.

39 CONTINENTAL
 Flagship range, exuding quality and style in a class of its own.

WHERE THE HEAD MEETS THE HEART

DURABILITY

- Unique SMART Plus and SMART HT construction system
- Rigorous safety testing at Millbrook and cold chamber testing down to minus 15°C and beyond puts prototypes through conditions most products will never have to experience in a lifetime, this is all part of the Swift ethos to deliver the best product possible to you
- **New** balanced panel side walls with GRP outer and inner skins. GRP is more impact resistant than aluminium and can be easily repaired, ensuring long lasting good looks and securing your investment for the future
- Assured build construction with a manufacturer backed, free 10 year bodyshell warranty as standard on all caravans

FUNCTIONALITY

- Significant advancements in design and storage that optimise your living and sleeping space giving greater comfort
- A host of money saving developments including improved fuel efficiency and use of low energy lighting
- Truma dual fuel heating or Alde heating
- Swift Command system, developed with Sargent Electrical, on all ranges
- Use of Computational Fluid Dynamics to help shape the bodyshell for better fuel consumption and safer towing

Developed in conjunction with

COMFORT

- Grade III classification of thermal insulation for all year round comfort
- Swift AirWave or Cast bedding for ultimate comfort
- Sprung beech slats for comfortable seating and sleeping
- Regency 100% bleach cleanable carpets designed to repel everyday spills, stains and dirt
- Exclusive Duvalay Duvalite mattresses on fixed beds with memory fibre technology

Your head says you need a caravan that's durable, functional, comfortable, safe and secure. Your heart wants great design and a great choice. With Swift Group you can have the best of both worlds with the backing of a company established over 50 years.

SAFETY AND SECURITY

- All Swift Group products are certified by the National Caravan Council to ensure they are both legal and safe
- All Swift caravans have European Whole Vehicle Type Approval to ensure compliance with strict weight, dimension and safety requirements
- Security includes a Thatcham Category 6 approved pro-active tracker as part of the Swift Command system (Subject to annual subscription)

STYLE AND CHOICE

- Modern desirable looks inside and out
- Models from entry level to top of the range luxury to cater for a wide range of budgets
- Caravan weights to suit a wide range of tow cars

ESTABLISHED FOR OVER 50 YEARS

- Experienced company with over 50 years of manufacturing knowledge and dedicated long serving craftsmen
- Europe's No1 manufacturer of Caravans, Motorhomes and Holiday Homes
- Swift Group undertakes what is probably the most extensive research and testing programme in the industry to ensure the design team can create products that set the industry standard for style, value and practicality
- Recycling waste and reducing carbon emissions is a fundamental part of the Swift ethos and initiatives are always underway to achieve further improvements wherever possible
- At the forefront of product design with exceptional style, inside and out, just wander into any Swift Group dealership to see for yourself

DEDICATED CUSTOMER CARE

- We believe our after sales and customer care are the best in the industry - check out our customer testimonials at swiftgroup.co.uk/swift-group/testimonials
- **Swift Connect** - A multi million pound investment programme in online technology enables dealers not only to order online, including spare parts, but also to check product availability and delivery dates
- **Swift Talk** - Swift Group's own dedicated social media site is the industry's most popular social networking site with over 17,000 members. Swift Group staff monitor the forum and answer questions daily, providing invaluable help and support where they can to customers. A number of key suppliers and dealers are also active Swift Talk forum members too

Social Network for Caravan and Motorhome Enthusiasts

- **Connect Direct** - Connect Direct is our exclusive after sales service for the ultimate in customer care. It is an online system, which provides each owner with a personal profile, with the ability to make the experience of owning their caravan even more unique. It is now available on all 2017 models including the Eccles range.

STEP INTO SMART+ CONSTRUCTION

As the UK's leading leisure vehicle manufacturer, the Swift Group undertakes what is probably the most extensive research and testing program in the industry and we are constantly looking at new and better ways to construct our products. SMART is the basis of our intelligent construction system that is used across our entire touring caravan range.

Enhanced for the new season, SMART Plus takes the proven technology which provides a Strong timberless body frame with Modern desirable looks and a leading Aerodynamic shape that is highly Resilient to moisture, all wrapped up in a caravan that has undergone the most comprehensive Testing. **For 2017 new balanced panel side walls with GRP outer and inner skins are added.** With the GRP outer to the sandwich floor and hail resistant GRP roof, the full outer bodyshell of the caravan is now GRP making it even more resilient.

Carefully developed, SMART construction was only introduced once we were satisfied that it was truly fit for purpose. Computer numerically controlled (CNC) cutting is used in the manufacturing process to provide accuracy and consistency time after time, to produce a high quality engineered product designed to give you a lifetime of SMILES.

SMART Plus features on the Eccles range

STRONG

The Strong timberless body frame uses 'PURE', a tough, hard polyurethane based product, that is totally impervious to water and has been proven through use.

MODERN

The SMART construction system uses Modern materials and has been developed to ensure the exterior profiles maintain the Modern desirable looks our caravans are renowned for.

AERODYNAMIC

We continue to lead the way in Aerodynamics using Computational Fluid Dynamics to help shape the bodyshell for better fuel consumption and safer towing.

RESILIENT WITH NEW GRP SIDE WALLS

New balanced panel side walls with GRP outer and inner skins. GRP is more impact resistant than aluminium and can be easily repaired, ensuring long lasting good looks, securing your investment for the future.

All fixings are made into the 'PURE' material to a pre-defined depth. 'PURE' is totally impervious to water and has no veins. This means there is no passage for water from the outer skin to the inner wallboard, making the caravan highly Resilient to moisture.

TESTED

Extensive safety and durability Testing at the Millbrook track, and cold chamber Testing down to minus 15°C and beyond puts prototypes through conditions most products will never have to experience in a lifetime; all part of the Swift ethos to deliver the best products to you.

FLOOR CONSTRUCTION

'Sandwich' floor construction with ply upper, high rigidity Styrofoam core and GRP outer skin to provide greater durability from the elements.

STEP INTO THE ULTIMATE CONSTRUCTION

SMART HT (Hi-Tech) is the most exciting breakthrough in caravan construction since their inception in the 1960's. It features patented technology and takes caravan construction to a new level.

It uses a number of revolutionary, innovative materials and technologies not seen in the caravan industry before.

It has been in research, development and testing for five years and takes the recently launched SMART intelligent construction system to a new level with the use of hi-tech materials.

Such is the advance in design and construction many elements have been filed with the UK patent office.

Computer numerically controlled (CNC) cutting, driven by 3D CAD data, is used in the manufacturing process to provide accuracy and consistency time after time.

This produces a high quality engineered product, with automotive standards of build technology, designed to give you a lifetime of SMILES.

GRP BODYSHELL PANELS

- GRP skin both sides provides excellent durability and impact resistance
- Balanced panels will not bow with heat as proven by environmental chamber testing

'PURE' FIXING BLOCKS

- Tough, hard polyurethane blocks, totally impervious to water
- Used within wall panels where extra fixing strength is required

UNIQUE COLD BRIDGE

- Breakthrough patented cold bridge within the aluminium side framing
- Prevents formation of condensation

COMPLETELY TIMBERLESS COMPOSITE FLOOR

- 5 layer sandwich construction
- Tested to the equivalent of 8 tonnes (or 100 people), twisted and pulled, all at different temperatures
- Combination of unique materials, processes and laminating solutions is patent pending
- Incredibly strong with a great thermal performance in relation to weight

AERODYNAMICS

- Computational Fluid Dynamics are used to help shape the bodyshell
- All exterior parts are flush fitting allowing air to slip over the body and reduce drag
- Market leading aerodynamics

STRONG JOINTING SYSTEM

- Panels lock into patent pending aluminium and SRIM corner jointing system
- Panels secured firmly using strong bonding system
- System so strong the number of mechanical fixings are significantly reduced saving weight
- SRIM corner structure technology allows increase in internal space by 106mm
- Extensively tested to meet exacting standards

SMART HT features on the Elite and Continental ranges

Developed in conjunction with
SARGENT

STEP INTO MORE CONTROL

At the Swift Group we're continually looking for ways to enhance your enjoyment of the outdoors. Swift Command is a real innovation designed to make your touring experience even more carefree.

Now available across the entire range, this convenient technology makes it easy to manage, monitor and control your onboard systems leaving you free to enjoy your precious leisure time.

Head to the Apple or Android store and search for 'Swift Command'.

The perfect tool for touring, Swift Command technology includes a smart LCD control panel that has enhanced functions.

There is also an exciting, free downloadable 'app' that links to the Swift Command unit, so you can be in control wherever you are with the convenience of your mobile device.

Access the clever onboard interface when nearby with Bluetooth or via your internet connection when remote. Track system levels like power, temperature, humidity and monitor the location of your vehicle.

Custom notification settings keep you informed of functions such as battery levels, frost alerts and alarm status.

For even greater peace of mind you can subscribe to the newly incorporated Thatcham Category 6 approved pro-active tracker to add extra security to your vehicle.

Swift Command Tracker by Sargent is monitored by an approved monitoring centre which operates 24 hours a day 7 days a week and provides European coverage and direct police liaison. This system is ready for use, all you need to do is purchase a tracking subscription by visiting www.swiftcommand.co.uk or calling Sargent on 01482 881655.

LIGHTING

Create just the right ambience onboard with easily adjustable lighting settings.

LOCATION AND REMOTE FEATURES

Connect to your leisure vehicle from anywhere to view its systems information and location.

Conveniently control and monitor your onboard services when away from your vehicle.

WATER

Keep an eye on your precious water levels so you know in good time when to top-up.

POWER

Track your energy use and manage your batteries for efficient use of your all important power services.

HEATING

Activate whilst out exploring and enjoy the warmth when you get back.

STEP INTO CONNECT DIRECT

WHAT IS CONNECT DIRECT?

Connect Direct is an online system which personalises each customer's experience of owning their caravan. The system is now available across the entire range.

HOW DOES IT WORK?

Once you have logged on and created your profile, you will be able to access a whole host of information, specific to your caravan. In addition you will be able to have a direct line into the retail team, with the launch of a live chat facility.

Should a problem occur, you will be able to report a fault to us directly, enabling us to react

quickly and work together with your dealer to take the problem away from you the owner and resolve the issue as quickly as possible.

Product upgrades and notifications will be sent via Connect Direct keeping you up to date over the coming years. This online system provides a direct route for you into the Swift Group, and enables us to provide you with proactive Customer Service support, enhancing your experience.

Connect Direct is in addition to the traditional methods of contacting us.

The key benefits of Connect Direct are:

- Access to information 24/7
- Ability to report faults directly to us
- Product upgrades and notifications
- Live chat direct into our experienced retail team
- Upload service history records
- Service history reminders

BUILT BY SWIFT

Swift Group's design team is widely recognised as the most innovative and creative within our industry, often leading the future design of touring vehicles.

DESIGNED AND ENGINEERED

With a wide range of backgrounds including the automotive and interior design sector, our degree qualified engineers and designers draw from a wide range of influences to style our future products. They have the use of computer aided design and 3D rendering to create and analyse ideas before a prototype is even built.

The latest 3D CAD software uses data to drive the CNC machines in the factory to create highly accurate toolings for construction.

AERODYNAMICS

Swift Group work with a leading company, who are also consultants to the Formula 1 industry, to use Computational Fluid Dynamics (CFD) to study the aerodynamics of their product design. A full 3D simulation study shows the airflow and drag and can be used to help shape the bodyshells for better fuel efficiency and towing dynamics.

RIGOROUS TESTING

Everything is designed using sophisticated software and data gathered from physical testing at the Millbrook proving ground including cold chamber testing down to minus 15°C and beyond. Swift Group are able to simulate how components, fixtures and fastenings will react under certain conditions allowing build optimisation. This results in well engineered robust and durable products.

EXCLUSIVES

Swift Group work closely to build partnerships with their suppliers to bring exclusive features to their products. These include the following features on top of our innovations:

- Ultra comfortable Duvalay mattress on all fixed beds
- Clever stain resisting SwiftShield fabric

THE SWIFT EXPERIENCE

COUNTRY • COAST • FREEDOM

THE SWIFT EXPERIENCE IS A CULMINATION OF OVER 50 YEARS EXPERIENCE MAKING LEISURE VEHICLES FOR YOU TO ENJOY THE GREAT OUTDOORS. OUR AIM IS TO MAKE YOUR HOLIDAY AS COMFORTABLE AND RELAXING AS POSSIBLE SO THAT YOU RETURN WITH A BIG SMILE ON YOUR FACE.

YOU CAN FOLLOW THE LIVES OF FAMILIES WITH A PASSION FOR ENJOYING THE FREEDOM THE LEISURE VEHICLE LIFESTYLE CAN OFFER AT:

NOT YOUR AVERAGE TRIP TO THE COUNTRY

Wake up to the sounds of nature, feel the morning dew on your feet, hold a cup of tea in your hand as you experience the sunrise over the hills and the sunlight streaming through the trees.

CARAVANS
MADE TO MAKE
YOU SMILE
- BUILT IN BRITAIN -

Morning breakfast made from the fresh local produce of the farm shop down the road, a bacon sandwich has never tasted so good. The days are full of possibilities; walking in bright green fields with sheep and cows, birds soaring high on the thermals and not a care in life, just anticipation of what is round the corner. Kids can be kids, running and playing, swimming in lakes, skimming stones, riding bikes, climbing trees and paddling canoes.

It's all about remembering the smiles on everyone's faces.

Live it. Experience it. Breathe it.

Adventure is allowing the unexpected to happen to you. Exploration is experiencing what you have not experienced before. How can there be any adventure, any exploration, if you let someone else - above all, a travel bureau - arrange everything before-hand?
Richard Adlington, Death of a Hero.

S Seagulls soaring, the sound of the waves lapping at the shore, sand between your toes and the fresh sea air, it's the simple things in life that bring the most joy.

Bucket and spade in hand, building sand castles, collecting shells and soaking up the sun on the beach with an ice cream or candy floss; it's what the seaside is all about.

With coastal parks a stone's throw away from seaside adventures you can enjoy a prime holiday location with all the comforts of home. Imagine the kids playing happily with new friends while you relax nearby and even the dog can come too.

As the end of the day draws to a close, you get to relax in the comfort of your own caravan, head refreshed from the days activities and ready for tomorrow's adventure.

With a Swift Group Caravan you have the freedom to roam at your pace, in comfort and style. You can be spontaneous or carefully plan your break away to create precious memories and tales to treasure for a lifetime.

The ocean stirs the heart, inspires the imagination and brings eternal joy to the soul.

Wyland

STEP INTO THE STERLING ECCLES

With a sweeping front profile housing a stylish new carbon fibre effect gas locker door with chrome effect grab handles, the latest stylish interiors and weights towable by most family cars, the Eccles offers modern style and outstanding value.

Long lasting good looks are ensured thanks to enhanced SMART Plus construction. And with three new layouts added to the nine model range, including two new twin axle variants, the Sterling Eccles may just be the tourer for you.

STEP INTO THE LIGHT

With the look and feel of a well designed modern home, large panoramic sunroof and new mini-Heki multi-directional clear roof lights, the living space has a light and airy feel.

Clean matt white locker doors with chrome coloured handles are inlaid with gloss 'Smoked Oak' and paired with soft hessian effect furniture. 'Guetta' soft furnishings comprise of a woven earthy brown seat fabric, bronze soft sheen cushions and complementary leaf pattern curtains. New cassette pleated blinds with useful flynets help to complete the modern decor.

Dining, sleeping or relaxing, the versatile furniture can be arranged to suit you. Whatever your preference Swift Group's exclusive AirWave seating will keep you comfortable and well supported. Fixed beds come with an ultra comfortable Duvalay Duvalite mattress.

STEP INTO MORE CHOICE

You're well catered for in the kitchen with plenty of clever, flexible storage, a granite effect sink and Dometic fridges with tall slimline, 134 litre versions in twin axle models. Washrooms feature swivel spout vanity taps and separate shower cubicles.

Adding more choice is the option to upgrade the 'Truma' Combi heating system to Alde wet central heating and there is a new Lux pack which adds a stylish illuminated kitchen splashback, external BBQ point, external 230V socket, external service door and key fob operated alarm system. With the new Swift Command control system it's an outstanding package.

MASSSES: The masses are calculated in accordance to EU regulation 1230/2012 and NCC code of practice 304.

The Mass in Running Order (MRO) comprises:

1. The mass of the empty caravan as supplied by Swift including loose items such as the hook-up cable, kit bag, entrance step, manuals etc.
2. 10kg allowance for LPG

The MRO is calculated with the fresh water tank, toilet flush tank and water heater empty. If you travel with water in the fresh water tank, toilet flush tank and the water heater the payload will reduce accordingly.

The personal effects is based on the number of berths and the length of the caravan and includes an allowance of 20kg for a leisure battery.

The Maximum Technical Laden Mass (MTPLM) is the maximum mass allowed when the caravan is fully laden.

WARNING: Under no circumstances should the MTPLM be exceeded.

BED SIZES: Please note that the front double bed sizes quoted are for seating configurations without chest of drawers. The front double bed width for a layout with a chest of drawers fitted will be reduced by 0.4m(1'4") from that stated.

AWNING SIZES: Due to the varying awning designs and sizes the awning sizes given are approximate only. Specific awning sizes must be confirmed by your dealer or the awning manufacturer prior to purchase.

* The dimensions given are approximate due to slight variations in suspension ride heights, loading conditions and tyre pressures

* Estimated weight or bed size

Customers should verify the actual dimensions of their touring caravan before committing to anything that could be impacted by these dimensions.

Please note: Any dealer fit options will reduce the overall payload available to the user of the caravan. If you require additional payload it is possible to upgrade the MTPLM to the upper limit. Please contact your caravan dealer for more information.

LED ROAD LIGHTS: Certain vehicles may require a secondary fuse box when towing models fitted with LED road lighting.

STEP INTO THE STERLING ELITE

Once again the Sterling Elite range effortlessly captures the imagination of those looking for a truly refined leisure experience.

Its aerodynamic exterior design combines a sweeping front aspect with new chrome grab handles, sleek sunroof, rain water diverter and shapely one-piece rear panel creating a strikingly sleek silhouette.

With totally timberless bodyshell technology, courtesy of award winning SMART HT construction, a choice of single or twin axle and an enviable specification, the all season Elite is ready for your journey.

STEP INTO THE CLEAN LINES

Countryside or coast, wherever your journey takes you, when you choose the Elite, comfort and style are along for the ride.

Overhead the clean lines of matt white storage lockers with chrome effect handles and gloss 'Smoked Oak' inlays lead to a wide panoramic sunroof. New 'Aram' soft furnishings tie in beautifully with the modern Sterling interior. Two different textured beige fabrics make up the seating and backrest cushions. Plaid scatter cushions in shades of taupe and dark plum, along with plain dark plum scatter cushions and curtain tie backs, complement neutral curtains with a pale gold cross patterning.

For luxury at bedtime, all fixed bed models are fitted with the exclusive Duvalay Duvalite mattress.

STEP INTO THE EXPERIENCE

The Elite is designed to deliver an exceptional leisure experience with an extensive list of luxury, safety and practical features.

Whatever the weather you'll be warm and happy in your all season Elite thanks to Alde central heating. The high-spec, storage laden kitchen features quality Dometic appliances and fine FENIX NTM® worktops which are resistant to scratches, hygienic and easy to clean.

And whether you're onboard or remote you'll have access to several of the Elite's key systems courtesy of Swift Commands clever technology.

MASSSES: The masses are calculated in accordance to EU regulation 1230/2012 and NCC code of practice 304.

The Mass in Running Order (MRO) comprises:

1. The mass of the empty caravan as supplied by Swift including loose items such as the hook-up cable, kit bag, entrance step, manuals etc.
2. 10kg allowance for LPG

The MRO is calculated with the fresh water tank, toilet flush tank and water heater empty. If you travel with water in the fresh water tank, toilet flush tank and the water heater the payload will reduce accordingly.

The personal effects is based on the number of berths and the length of the caravan and includes an allowance of 20kg for a leisure battery.

The Maximum Technical Laden Mass (MTPLM) is the maximum mass allowed when the caravan is fully laden.

WARNING: Under no circumstances should the MTPLM be exceeded.

BED SIZES: Please note that the front double bed sizes quoted are for seating configurations without chest of drawers. The front double bed width for a layout with a chest of drawers fitted will be reduced by 0.4m(1'4") from that stated.

AWNING SIZES: Due to the varying awning designs and sizes the awning sizes given are approximate only. Specific awning sizes must be confirmed by your dealer or the awning manufacturer prior to purchase.

* The dimensions given are approximate due to slight variations in suspension ride heights, loading conditions and tyre pressures

* Estimated weight or bed size

Customers should verify the actual dimensions of their touring caravan before committing to anything that could be impacted by these dimensions.

Please note: Any dealer fit options will reduce the overall payload available to the user of the caravan. If you require additional payload it is possible to upgrade the MTPLM to the upper limit. Please contact your caravan dealer for more information.

LED ROAD LIGHTS: Certain vehicles may require a secondary fuse box when towing models fitted with LED road lighting.

STEP INTO THE STERLING CONTINENTAL

Welcome to a new level of modern luxury touring. Everything about this season's refined and advanced Sterling Continental range is carefully crafted to make your next leisure experience truly unforgettable.

Engineered using the ultimate SMART HT construction with improved

layouts and a new twin axle model, the Sterling Continental is the optimal choice for your next luxury break.

With new chrome effect grab handles, an enhanced stylish graphics scheme and handy new reversing camera the Sterling Continental makes its presence felt.

STEP INTO MODERN DELIGHT

Inside the Continental continues to delight with attention to detail paid to every surface and feature. You can control the ambience with a versatile mix of natural light and energy efficient LEDs to give a warm glow or bright light.

New 'Tacilo' soft furnishings give a sophisticated modern feel and accent the well appointed kitchen. There are HI-MACS® natural acrylic stone worktops, superior Dometic appliances including the new CU600 oven and a tall slimline fridge in selected models. An LED lit cocktail cabinet houses your after dinner drinks.

STEP INTO FULLY EQUIPPED

Fully equipped and stylishly dressed the Continental is the pinnacle of the Sterling range of tourers and comes with an impressive specification.

Keeping you connected away from home are an array of power, USB and audio interfaces. The list goes on with Alde central heating, innovative Swift Command technology and washrooms equipped with powerful showers and radiators. All this and more adds up to an exceptional touring experience for you and your family.

FEATURES

All Sterling Caravans come with an impressive array of features.

01. Shock absorbers for a smoother towing experience
02. AL-KO ATC trailer control system for an enhanced towing experience (optional on Eccles models)
03. Exclusive LED light clusters which provide better visibility in poor weather
04. Gas locker door with single lever three point locking
05. Exclusive design Scorpion alloy wheels
06. External 230V socket and BBQ point for alfresco cooking (part of Lux Pack in Eccles models)
07. Fixing bars for rear mounted optional Thule Elite G2 two cycle rack
08. Ventilated microwave oven with digital control and built in at an easily accessible level
09. Dual fuel hob with 800W electric hotplate and 3 gas burners combined with a separate grill and glass fronted oven (image shows new Dometic CU600 oven available in Elite and Continental models)
10. Eccocamel Orbit shower head with on/off button so you use less water while experiencing a more powerful shower
11. Bi-fold shower door on track for ease of use (end lined washrooms)
12. Omnivent three speed, two way roof fan (except Eccles models)
13. Seat bases with spaceframe construction, full front access and space for larger items
14. Roof mounted 80W solar panel for enhanced independence
15. Dometic LCD 3-way refrigerator (size model specific, image shows new tall slimline 134 litre model available in selected models)
16. Pull out chest of drawers with convenient front shelf pod
17. Front binnacle with USB socket, audio jack plug link to the radio and 230V sockets. Handy spirit level also helps assist with levelling of the caravan (no spirit level in Eccles, no USB in Eccles or Elite)
18. Positive locker catches for secure storage on the move and low energy lighting system featuring:
 - LED over locker lights and LED task lights
 - LED kitchen splash back panel (part of Lux Pack in Eccles models)
 - LED low level night lighting (except Eccles models)
 - LED back lights in washroom mirrors (except Eccles models)
19. Alde wet central heating (standard in Elite and Continental, optional in Eccles)
20. Domestic or panel style radiator in washroom (Continental only, fitted panel or pipe radiator in Elite and optional Alde heating in Eccles models)

FEATURES

You can be reassured when you buy a Sterling Caravan that they come with the following market leading features.

ECCLES

Exterior

- European Whole Vehicle Type Approval ensures compliance with strict weight, dimension and safety regulations
- EN1645 Grade 3 classification for heating and thermal insulation
- Overall body width 2.23m/7'4"
- AL-KO galvanised steel chassis with Euro-axle
- Enhanced** SMART Plus construction with GRP body panels
 - Strong, moisture proof 'PURE' Polyurethane timberless framed bodyshell with polystyrene insulation core
- New** robust GRP inner and outer balanced side walls
- 44mm 'sandwich' floor construction with GRP outer skin, ply upper and high rigidity Styrofoam core
 - Hail resistant exterior GRP roof, fully bonded for extra strength and flatness
 - Fuel saving aerodynamic front in closed-mould GRP with wide front door
 - Full height closed mould GRP rear panel
- Stylish graphics scheme
- Sweeping GRP front panel with triple flush fitting windows, panoramic sunroof and LED front marker lights
- New** Chrome effect two part grab handles to front and rear
- New** Carbon effect wide access gas locker door with single lever three point locking
- Exclusive LED rear light clusters, **new** LED high level marker and brake light which provide better visibility in poor weather
- LED side marker running lights
- AL-KO Euro overrun device with two-way assisted handbrake
- 'Scorpion' alloy wheels
- Steel spare wheel
- Higher tyre rating - a load margin is included in the tyre specifications
- Shock absorbers for a smoother towing experience
- Semi-recessed body colour awning rail both sides
- Step-on hitch cover for easy cleaning of front windows
 - 13-pin 'Jaeger' 12V car connector
- New** AL-KO carabiner breakaway cable
- Bulkhead mounted regulator suitable for use with either propane or butane bottles
- Flusher fitting fully double-glazed opening windows (no single-glazed cold areas)
- LED awning light

- Exterior one-piece door with, interior moulded liner, chrome handle with improved operation, window with blind and bin
- Exterior access battery box with mains electric inlet (battery not included)
- Aerial point in battery box for portable satellite dish connection
- Entrance step
- Fixing bars for optional Thule rear mounted two cycle rack

Interior

- 1.95m (6'5") headroom
- Panoramic front sunroof
- 'Guetta' soft furnishing scheme
- Graphite doors to kitchen area
- 'Hessian' effect furniture with matt white locker doors with gloss Smoked Oak inlay and chrome effect fittings
- Positive overhead locker catches for secure storage on the move
- Overhead locker doors with injection moulded space frame construction
- Chrome effect handles, sockets and switches
- Two large scatter cushions
- Twin curtain track for improved hanging and ease of use
- Sectioned removable carpets for flexibility
- 'French Oak' effect, high impact, scratch resistant floor lino
- Swift AirWave bedding for greater seating and sleeping comfort
- Beech slat seat and bed bases with sprung hinged tops for extra comfort and easy access
- Seat bases with spaceframe construction, full front access and space for larger items
- Bed make-up system with slats retained on track (Mid bed uses the table)
- Exclusive Duvalay Duvalite mattress with lightweight memory fibre technology - hypoallergenic, excellent pressure relief, dustmite resistant and 100% recyclable (fixed bed models only)
- Fixed beds with aluminium bed frames to maximise strength and storage space
- Access flaps in fixed bed surrounds and day seat ends
- Areas under beds and seats and washroom areas warmed by Truma blown air system and underfloor ducting insulated to minimise heat loss
- Front chest of drawers with convenient slide-out extending top
- Large dining table for full-size place settings
- Granite effect kitchen sink

- Removable drainer and food grade nylon chopping board nestle together for easy storage in dedicated location
- Kitchen worktop extensions (model specific)
- Kitchen laminate splashback
- Two cutlery drawers on smooth-action steel runners, one above fridge
- Two pull-out wire baskets in kitchen cupboard
- Mid-Heki roof window with flynet and adjustable concertina blind
- Door flyscreen with easy concertina action
- New** Pleated blinds and fly nets to all windows
- New** Mini Heki Multi-directional clear roof lights in kitchens and bedrooms.
- Seat and backrest ventilation boards
- Retained embroidered entrance mat
- Lined washroom cubicle in all separate washrooms (except 510)
- 32mm thick washroom doors with domestic style locks and handles
- Shower bi-fold door retained on track for improved access (except 510 & 590)
- Swivel spout vanity taps for improved use

Equipment

- New** Swift Command control system with Thatcham Category 6 approved pro-active tracker (subject to annual subscription)
- New** Swift Command Intelligent power supply unit with LCD control panel; Functions include battery selection, battery state meter, lighting and water pump circuit controls, internal & external temperature, internal humidity levels, 230V load limiter (settable between 5 amps & 16 amps), solar panel charging levels, heating controls and Bluetooth connection
- Swift Command app allows certain functions to be controlled/monitored remotely via an internet connection
- Dual fuel heating with Truma Combi 4 Boiler 1.8kW electric/4kW gas/3.8kW combined in 480, 510 & 530 (Combi 6 1.8kW electric/6kW gas/5.8kW combined in 560, 565, 570, 580, 590, 635 & 645)
- Digital programmable controller for heating and hot water with ability to be remote controlled via Swift Command.
- Optional upgrade to the Alde wet central heating system.
- Waste bin on lower door
- 'Aspire MKII' thermostatic oven with electronic ignition, dual fuel hob with 1x 800W electric hotplate & 3 gas burners with electronic ignition and separate grill.
- Glass hob lid with safety cut-out feature
- Ventilated microwave oven with digital controls built at an easily accessible level

- 8-Series Dometic 110 litre, electronic ignition fridge with removable freezer compartment, black effect finish and digital controls
- Tall slimline Dometic 134 litre electronic ignition fridge incorporating 12 litre removable freezer compartment in twin axles.
- Eccocamel Orbit shower head with on/off button for a powerful shower that uses less water
- Thetford C260 toilet with electric flush and 18 litre wheeled waste tank
- High flow rate in-board pump with chrome finish brass taps for reliable, high performance water supply
- Inboard semi-rigid fresh water pipes
- Large bore underslung rigid waste pipes
- Isolation taps for gas appliances
- Fully protected mains electric system
- 25 amp switchmode charger/transformer
- TV station with 230V, 12V and aerial sockets (two in selected models)
- Travel lock for TV brackets where fitted
- Radio/CD/MP3 player with iPod connection with upgraded premium radio speakers
- Status 570 directional Digital / Analogue TV/FM aerial and booster
- 80W roof mounted solar panel
- Over-locker lighting and recessed ceiling lighting LED throughout.
- LED downlighters set in plinth over kitchen locker
- Adjustable under locker LED lighting
- Four 230V sockets including twin in front shelf pod
- 25 metre mains hook-up cable
- New** Optional LUX Pack includes illuminated sink splash back, key fob operated alarm & awning light, BBQ point, 230V external mains points and external access service door to near side front bed

Safety and Security

- New** Thatcham Category 6 approved pro-active tracker (subject to an annual subscription, part of Swift Command system)
- New** Convenient one-key high security locks
- AKS 3004 stabiliser
- Receiver for optional AL-KO Secure wheel lock
- Smoke alarm
- Carbon monoxide detector
- CRiS identity number labels on windows and caravan chassis
- Concealed security data chip within caravan construction

ELITE

Additional/Upgrade to Eccles

Exterior

- SMART HT construction - Totally timberless bodyshell with patent pending elements and Hi-Tech components
- Patent pending 5 layer composite floor

'Guetta' upholstery scheme
Eccles standard fabric

'Aram' upholstery scheme
Elite standard fabric

'Tacilo' upholstery scheme
Continental standard fabric

SwiftShield upholstery scheme
SwiftShield fabric has a soft suede type feel and has been treated during manufacturing to resist stains. It is very easy to clean and just requires a soft cloth dampened with water to remove most stains. SwiftShield is exclusive to Swift Group, you can find out more on Swift TV. www.swifttv.co.uk

Swift AirWave seating
AirWave bedding gives a sleek silhouette to the seat cushions whilst providing just the right combination of support and cushioning. The unique Swift AirWave construction gives the feel and comfort of a mattress topper when the cushions are turned over for bed make up. It features in the Eccles range.

Swift Cast seating
Elite and Continental ranges feature Cast seating which gives the same benefits as Swift AirWave with a superior comfort level.

VALUE ADDED PARTNERS

Duvalay Duvalite is an innovative mattress made with lightweight memory fibre technology. This hypoallergenic fibre remains as comfortable as memory foam but has many other benefits. Helping eliminate heat retention it gives superior temperature harmony, excellent pressure relief and is durable and resilient. It is resistant to dust mites and is 100% recyclable. Being ultra lightweight it also contributes to significant weight savings.

Swift Group work in partnership with Truma and Alde, the manufacturers of the heating systems installed in our touring caravans. This partnership sees both teams challenging each other to deliver the best kit/equipment at the best price for the caravan ranges. Truma and Alde also carry out cold chamber testing of the products to prove they meet the Grade 3 standard for heating and insulation.

Swift recommend Oyster satellite TV and broadband. Your favourite TV channels at home and on the continent at the touch of a button. Permanently mounted dishes fold away neatly when travelling then raise and locate the satellite signal automatically seconds after activation. Made in Germany. 3 year warranty and UK service centre.

Fitted exclusively for Swift Group in all 2017 Sterling Elite and Continental models is the new Dometic CU600 oven. This has improved oven performance including: reduced cooking time, improved cooking uniformity, improved grill performance and a sleeker design.

All Swift Group caravans are now fitted as standard with fixing bars on the rear panel designed to take an optional Thule rear mounted two cycle rack.

CHOSEN CHARITY

Swift Group are proud to support a charity local to them called the Daisy Appeal. The Daisy appeal is giving loved ones faster, more accurate, diagnosis of three of the region's biggest killers - cancer, heart disease, and dementia.

The Charity's aim is to provide a world-class PET-CT scanning facility which will provide a comprehensive clinical service alongside an ambitious clinical research programme exploring new applications of imaging techniques.

Currently in the UK, most PET-CT scanning is carried out on cancer patients. However, it has great potential in various heart, neurological and other diseases. Many of these will necessitate the use of short half-life radioactive 'markers' which will need to be manufactured on site. Hence the requirement of a purpose built cyclotron, radiochemistry and radiopharmacy facility.

For every caravan, motorhome and holiday home sold, Swift Group make a donation to the Daisy Appeal, helping them to reach their goal of becoming the UK's number one PET-CT service.
